the relation between feminism and men is often presumed to be antagonistic so that men are expected to resist feminism and feminists are assumed to hate men that pattern of opposition is disrupted however by the continually increasing numbers of men who are participating in feminist theory and practice trying to integrate feminist perspectives into their scholarship teaching work play friendships and romantic involvements responses to this male feminism have varied sometimes male feminists find some female feminists critical of men who oppose or decline to join feminist projects but also rebuff the few men who do undertake feminist projects on the other hand some women feminists have unequivocally welcomed men as allies in political business religious and academic contexts the essays in men doing feminism reveal that there is justification for both views the skeptical and the enthusiastic because feminist men are as diverse as feminist women many of the eighteen contributors to this book women men blacks whites gays

straights transsexuals use personal narrative to show ways that men's lives can shape their approaches to doing feminism and to convey the opportunities and challenges involved in integrating feminism into a man's life some authors argue that men's experiences prepare them to make contributions that are of crucial importance to feminist theory others argue that men must radically reform or even abandon manhood and masculinity if they are to be feminists in men doing feminism feminist theory is used to illuminate men's lives and men's lives serve as a basis for feminist theory contributors michael awkward susan bordo harry brod tom digby judith k gardiner c jacob hale sandra harding patrick hopkins joy james david kahane michael kimmel gary lemons larry may brian pronger henry rubin richard schmitt james p sterba laurence mordekhai thomas and thomas e wartenberg

this volume contains essays written by both men and women highlighting the current debate over the future of feminist theory its focus is the actual and potential relationship of men to the now impressive and widely recognized body of feminist writing

they are often portrayed as outsiders ethnic minorities the poor the disabled and so many others all living on the margins of mainstream society countless previous studies have focused on their pain and powerlessness but that has done little more than sustain our preconceptions of marginalized groups most accounts of marginalization approach the subject from a distance and tend to overemphasize the victimization of outsiders taking a more intimate approach this book reveals the personal moral and social implications of marginalization by drawing upon the actual experiences of such individuals multidisciplinary and multicultural identity on the margin addresses marginalization at a variety of social levels and within many different social phenomena going beyond familiar cases dealing with race ethnicity and gender to examine such outsiders as renegade children conservative christians and the physically and mentally disabled and because women are especially subject to the effects of marginalization feminist concerns and the marginalization of sexual practices provide a common denominator for many of the essays from problems posed by complimentary racism to the status of gays in tony blair's england from the struggle of native americans to preserve their identities to the singular problems of single mothers identity on the margin takes in a broad spectrum of cases to provide theoretical analysis and ethical criticism of the mechanisms of identity formation at the edges of society in all of the cases the authors demonstrate the need for theory that initiates social change by considering the ethical implications of marginalization and criticizing its harmful effects bringing together accounts of marginalization from many different disciplines and perspectives this collection addresses a broad audience in the humanities and social sciences it

offers a basis for enhancing our understanding of this process and for working toward meaningful social change

men face common issues but are experiencing them all over the world in very different contexts and are coming up with different priorities and strategies to address them this new series provides a vehicle for understanding this diversity
