few if any u s writers are as important to the history of world literature as edgar allan poe and few if any u s authors owe so much of their current reputations to the process of translation translated poe brings together 31 essays from 19 different national literary traditions to demonstrate poe s extensive influence on world literature and thought while revealing the importance of the vehicle that delivers poe to the world translation translated poe is not preoccupied with judging the quality of any given poe translation nor with assessing what a specific translation of poe must or should have done rather the volume demonstrates how poe s translations constitute multiple contextual interpretations testifying to how this prolific author continues to help us read ourselves and the world s we live in the examples of how poe s works were spread abroad remind us that literature depends as much on authorial creation and timely readership as on the languages and worlds through which a piece of literature circulates after its initial publication in its first language this recasting of signs and symbols that intervene in other cultures when a text is translated is one of the principal subjects of the humanistic discipline of translation studies dealing with the products functions and processes of translation as both a cognitive and socially regulated activity both literary history and the history of translation benefit from this book s focus on poe whose translated fortune has helped to shape literary modernity in many cases importantly redefining the target literary systems furthermore we envision this book as a fountain of resources for future poe scholars from various global sites including the united states since the cases of poe s translations both exceptional and paradigmatic prove that they are also levers that force the reassessment of the source text in its native literature

an architect who excelled at transforming an architectural fantasy into a practical livable home addison mizner was one of the most original and influential designers america has produced the houses clubs and shops he built for the wealthy of palm beach and boca raton florida evince a brilliant grasp of how to blend a building with the environment how to adapt it to the climate and how to situate it in order to make the best use of the elements of sea light and air this lavishly illustrated volume recaptures the genius of addison mizner it contains over 180 photographs both interiors and exteriors depicting more than 30 residences including mizner s own plus those of harold vanderbilt rudman wanamaker a j drexel biddle jr edward shearson mrs hugh dillman and many more also covered are such landmark mizner creations as the everglades club via parigi the singer building the cloister at boca raton the riverside baptist church at jacksonville and many others a superb appreciation by author and journalist ida m tarbell offers fascinating glimpses into mizner s early life and background and how it prepared him to develop architecture that belonged in the florida landscape inspired by the beauty and charm of the villas and palaces of the mediterranean mizner designed in a spanish colonial style far better suited to the subtropical sun and climate of florida than the transplanted houses of the north at first so common in the state a new introduction by mizner scholar donald w curl offers an additional appreciation of the architect and his innovative and imaginative conceptions which continue to win new admirers among connoisseurs of classic design reproduced from a rare edition much sought after by collectors this inexpensive volume will be welcomed by architects students and historians of architecture and anyone interested in the life and achievements of addison mizner

founded in 2005 whitehot magazine has become one of the leading channels for contemporary art criticism since its inception whitehot has published thousands of reviews covering art from the united states east asia the middle east africa and south america with key pieces authored by critical luminaries including anthony haden guest donald kuspit and phoebe hoban the magazine is also uniquely independent in its editorial voice unlike other large art world publications whitehot is owned and managed by its founding editor rather than by a media holding company on the occasion of its upcoming 20th anniversary founder noah becker and contributor michael maizels have compiled a critical anthology of the magazine s writings the selected articles not only encapsulate the storied history of whitehot but also provide a significant window into the evolution of art practice and art criticism since the turn of the millennium

the history of the new world is an abridged unique english translation of sixteenth century italian merchant girolamo benzoni s popular account of his adventures in the americas and the spanish colonies first published in venice in 1565 benzoni s book was an immediate best seller and available in at least five languages before the end of the century it spanned the years 1541 56 providing detailed descriptions of native flora and fauna exciting narration of harrowing exploits and a surprisingly critical perspective on the expanding spanish empire s methods of conquest and governance in which benzoni highlighted the struggles of indigenous peoples this edition follows the three book structure of the original account but focuses on benzoni s own experiences omitting episodes to which he was not a witness and excising repetition and hyperbolic hearsay the first english language version published since 1847 this volume includes an informative introduction and annotations that situate benzoni and his fascinating writings in the larger context of spanish colonial conquest perfect for classroom use this is a lively vivid firsthand account of the adventure and wonder of the new world
