voice and subject matter it is accurate to say that the quest for personal and communal identity is a theme that goes to the heart of all present selections the anthology is important in that it epitomizes the increasing interconnectedness of previously segregated facets of hong kong culture indicating the very welcome tendency towards more open dialogue between chinese and non chinese practitioners and audiences the anthology contains the complete texts of the shorter plays and strategically selected excerpts from the longer plays all the texts in this collection were written as english language versions for performance rather than literary translations although for some a chinese language text was also written
