the guide to metro exodus is a compendium of knowledge about this post apocalyptic shooter game here you will find an exact walkthrough a description of all available side quests and a full list of achievements

metro exodus for pc ps4 and xone is a post apocalyptic firstperson shooter and a part of the metro game series just like the series previous installments metro 2033 and metro last light it was developed by 4a games the game takes us to a post apocalyptic world where civilization was destroyed by a world wide nuclear war once again we play as artyom who along with a group of survivors has to leave the tunnels of the moscow subway and go east through the devastated world in search of a new home this time campaign takes place during a whole year allowing us to see the post nuclear war world during different seasons metro exodus for pc ps4 and xone is an evolution of ideas and solutions from the two previous games as usual we get a firstperson shooter where we will focus on exploration combat and sneaking this time however most of the story campaign takes place on the surface on big open maps that give us more freedom than the areas from the previous metro games more sandbox like gameplay is not the only change we can see here to move between the locations we will use aurora a revamped steam railway engine dynamic weather and the day night cycle were also implemented the plot in metro exodus is non linear to some extent our decisions and actions influence who will survive the journey and who will die along the way metro games are known for their stunning visuals and it can also be said about metro exodus for pc ps4 and xone the game has one of the best looking visuals out there its highly detailed world is even more impressive if we consider how much bigger the locations are now when compared to the series previous installments metro exodus is the third installment of the fan favorite series by 4a games and the first such extensive game in the franchise our guide includes a walkthrough for every main and side mission our walkthrough for metro exodus has been divided into locations moscow the volga the caspian sea taiga and the dead city also our guide has descriptions for the short stages dividing the game into the seasons winter spring summer and fall in metro exodus you will find several side missions for completing them you will receive additional items that can make your gameplay easier

step into the shoes of artyom and enter the overpopulated metro subway system of the post apocalyptic russia fight your way through the hordes of deadly mutants brave the surface radiation using naught but a gas mask and meet and defeat the various hostile factions of moscow s once famous public underground transport system our guide will take you from start to finish grabbing all the collectibles and unlocking as many achievements trophies as possible as you go the guide will provide you with tons of hints and tips including complete all stories missions with pure stealth location of every diary note location of every musical instrument location of the game s major and minor morality points achievement trophy guide to unlock every last one in the game

the guide to metro exodus will let you uncover all the secrets of the new game from 4a games in our tutorial you ll find practical tips information and hints to help you learn the key rules of the game in this guide you will first of all find a very detailed walkthrough of all storyline missions in addition in the faq section you will find answers to your questions about the game on the first pages of this guide you will find starting tips which will make your first hours in the game easier we have also prepared a lot of information about weapons and combat to help you learn about the most important mechanisms of the game in this guide you will also find a section devoted to controls which will make your first moments in the game easier we have also contained a trophy achievement guide where we have put extra emphasis on the most difficult ones the game has a lot of important choices some of them aren t as obvious all of them are described in our guide you can decide about the fate of duke in the volga damir in the caspian sea and alyosha in taiga levels these decisions have an impact on the game s finale which takes place in dead city check how to get every ending and how to make sure that every companion stays alive until the end the chapter dedicated to secrets has maps helpful in locating the most important locations and side quests in the volga caspian sea taiga or yamantau with our guide you won t miss any diaries workbenches postcards or upgrades we have listed the most important upgrades for your armor gas mask or gadgets such as a compass the walkthrough full of high quality pictures is an important part of this guide it will help you complete all locations win the most important fights and finish stealth sections metro exodus has 5 difficulty levels reader easy normal hardcore and ranger hardcore higher difficulty levels

can be really challenging even for fps veterans as metro exodus is quite a demanding game we have prepared a detailed system requirements section where you will find not only an overview of the requirements but also numerous tips on how to increase the number of frames per second generated in the game smooth gameplay will make it much easier for you to play and you will also have a much better chance of surviving in the destroyed world on that page you will also find information about the implementation of the rtx nvidia technology

unofficial guide do you want to dominate the game and your opponents do you struggle with making resources and cash do you want the best items would you like to know how to download and install the game if so we have got you covered we will walk you through the game provide professional strategies and tips as well as all the secrets in the game what you ll discover inside how to download install the game professional tips and strategies beat the game beat opponents get tons of resources items weapons secrets tips unlockables and tricks used by pro players how to get tons of resources plus much more so what are you waiting for once you grab a copy of our guide you ll be dominating the game in no time at all get your pro tips now scroll to the top of the page and click add to cart to purchase instantly disclaimer this product is not associated affiliated endorsed certified or sponsored by the original copyright owner

the long anticipated follow up of the metro series is finally here and all fans have been so eager to start playing asap being one of the games with the most intricate and rich details metro exodus has swept us off our feet so using this metro exodus game guide is something that any gamer must have would you like to beat the game and go through all the stages of the game this metro exodus strategy guide is the tool that will help you accomplish that the book is packed with thorough walkthroughs that will guide you through all layers of the game all the seasons places cities you name it we got it covered the multiples how to s in this book will save you a ton of time and frustration you will be able to read about all the diary locations collectibles weapons difficulty levels and even getting to the good ending take mental notes because what you read in this book will be the the information that will help you get through the most tricky and difficult

situations of course there is information about all the characters and enemies found in this metro exodus guide book and learning the details from here beforehand will give you the edge you've been looking for in order to show the best you can be so don't hesitate and get one today

in the returnal there are few things that last forever so players are more likely to stick to those things unlocking some upgrades like atropian blade or icarian grapnel gives players a lasting boost to their character so they are very important the same is true with money while all of the player's obolites will disappear whenever they die and start a new cycle ether remains whatever may be as a result players can plow ether and end up with a huge pile although it will take some time however because of its widespread use it may be worth the effort ether is one of the many currencies in returnal and with it players can do a lot of things ether can be used to clean up violence on an object allow it to be taken away without detecting suit malfunction and can be used to charge replicators to give players extra life finally ether can be sold by obolites and can be used to launch new products while it's not the fastest way simply checking every biome while playing a game is a great way to find ether players will see ether in its purple light but remember that both parasites and evil elements share this same color every day returnal players are given a challenge where they have to clear a particular biome under certain conditions while players can compete with other scouts as part of this simply surviving to the end and clearing the biome is enough to get players a huge amount of ether usually daily challenges reward five ethers click on the buy button to get your copy now

you're you searching for the last of us 2 combat weapons collectibles tips and tricks or more you'll find everything in this walkthrough guide this the last of us 2 guide gives a walkthrough to simply about each phase of the game everything you need from the starting point tips and assist in getting started to more specified info such as collectibles and secrets and where to discover weapons they're all here anything you're after i've accumulated a range of information that you can select through as and when required utilize it to make your walkthrough effortless more efficient or simply make sure you don't miss whatever the game has to offer in this walkthrough guide you're going to see stuff
