karl pearson founder of modern statistics came to this field by way of passionate early studies of philosophy and cultural history as well as ether physics and graphical geometry his faith in science grew out of a deeply moral quest reflected also in his socialism and his efforts to find a new basis for relations between men and women this biography recounts pearson s extraordinary intellectual adventure and sheds new light on the inner life of science theodore porter s intensely personal portrait of pearson extends from religious crisis and sexual tensions to metaphysical and even mathematical anxieties pearson sought to reconcile reason with enthusiasm and to achieve the impersonal perspective of science without sacrificing complex individuality even as he longed to experience nature directly and intimately he identified science

with renunciation and positivistic detachment porter finds a turning point in pearson s career where his humanistic interests gave way to statistical ones in his grammar of science 1892 in which he attempted to establish scientific method as the moral educational basis for a refashioned culture in this original and engaging book a leading historian of modern science investigates the interior experience of one man s scientific life while placing it in a rich tapestry of social political and intellectual movements

binge drinking bd is a highly prevalent pattern in most western countries characterized by the intake of large amounts of alcohol in a short time followed by periods of abstinence this abusive form of alcohol consumption is a regular practice in around a third of european and american youths the high prevalence of bd at this age is of particular concern since adolescence and youth are in a period of special vulnerability to neurotoxic effects of alcohol mainly due to the structural and functional changes going on in the brain throughout this key developmental stage evidence gathered during the last decade from animal and human studies seems to point to multiple brain anomalies associated with bd in this research topic we have collated a compendium of articles that address multiple aspects of bd during adolescence and young adulthood such as identification prevalence gender differences and neurocognitive anomalies associated with this excessive alcohol consumption pattern these articles collectively highlight the breadth of current research conducted in this field but also the need to join efforts to improve the screening of the bd pattern the characterization of its consequences as well as the translation of knowledge acquired in the laboratory into clinical practice we remain confident that this research topic will contribute significantly to the understanding of bd and its consequences and will further stimulate high quality investigation in this relatively new research field

vol 49 no 9 sept 1922 accompanied by a separately paged section entitled era electronic reactions of abrams

adrian greaves uses his exceptional knowledge of the anglo zulu war to look beyond the two best known battles of isandlwana and the iconic action at rorkes drift to other fiercely fought battles he covers little recorded engagements and battles such as nyezane which was fought on the same day as the slaughter of imperial troops at isandlwana but has been eclipsed by it like the battles at hlobane and gingindhlovu the death of the prince imperial which caused shock waves round europe and had huge repercussions for those involved is examined in detail the defeat of the zulu army at ulundi was the culmination of the war and the author reveals new and shocking details about this battle there is a hint of ominous events to come in the slaughter of colonel austruthers redcoat column by boers as they marched from ulundi to pretoria this was the opening salvo of the first boer war this hugely informative book will fascinate fans of this

period of our imperial history

an invaluable and fascinating resource this carefully edited anthology presents recent writings by leading legal historians many commissioned for this book along with a wealth of related primary sources by john adams james barr ames thomas jefferson christopher c langdell karl n llewellyn roscoe pound tapping reeve theodore roosevelt joseph story john henry wigmore and other distinguished contributors to american law it is divided into nine sections teaching books and methods in the lecture hall examinations and evaluations skills courses students faculty scholarship deans and administration accreditation and association and technology and the future contributors to this volume include morris cohen daniel r coquillette michael hoeflich john h langbein william p lapiana and fred r shapiro steve sheppard is the william enfield professor of law university of arkansas school of law

in 1902 martha berry founded the industrial school for boys to educate the children of the southern appalachian mountains and in 1909 the school admitted women the institution grew from a mountain industrial school to a two year college in its first twenty four years became a four year college in 1930 and has since become one of the leading liberal arts colleges in the south this volume portrays in word and image the role of sports at berry college throughout its 100 year history situating athletics within the social and cultural life of the college the book includes both intramural and intercollegiate sport and traces the evolution of the viking tradition as it both parallels and reflects the development of sport in the united states the story begins with the recreational and leisure activities of the early years of the school and traces the continuation of the sporting spirit from the days of the silver and the blue through the post war blue jacket tradition and ends with the viking years of the last four decades of notable interest in the book is the development of the women s sports program which has brought four national titles to the college the importance of soccer to the college the well rounded intercollegiate program which currently fields teams in seven sports and an excellent intramural program
