vincible a capable of being overcome or subdued conquered episode three sydney every story contains faces on the fringes those on the outside looking in observers who seem to have no power or influence they're just along for the ride or are they they're people like sydney a castaway loner at 14 a girl nobody ever wanted sydney keeps a go bag her runaway kit under her bed she spends her life in support of others because she's too scared that if she takes any kind of responsibility she'll screw things up after all that's how her birth father raised her sydney's sisters greye and nika are both missing the police are asking questions and her answers aren't satisfactory sydney can sense time is running short that she's stuck between the cops miss ivy her terrible foster mom and this nameless evil that seems to be picking off her sisters one by one in the end sydney is going to have to make a choice she never wanted to make if she runs will she get anywhere or will she only be making things worse most important will the sale of her soul be worth whatever pittance she gets in return will the fulfillment of a dream look more like a nightmare sydney's world might just collide into another she never imagined could be true

vincible a capable of being overcome or subdued conquered episode two nika every story contains faces on the fringes those on the outside looking in observers who seem to have no power or influence they're just along for the ride or are they they're people like nika a kid stuck in the system just like her three foster sisters nika suffers from a scandalized heart one that saw too much too soon she found a reasonable compensation at least for a time in the fantasy that she was a queen in search of her true realm nika's sister greye always had an unhealthy bent for sticking her nose where it didn't belong now nika can finally see what it's costing her the question is will it cost them all and if nika is the good queen she imagines herself to be how will she lead now that real life has become so threatening the blood of her murdered father does indeed cry out from the ground she will be dragged kicking and screaming to the choice she never wanted to have to make fantasy or reality the one is deceptively delicious the other seems to be too difficult to bear will she choose to nurse the fantasy or will she have the strength it takes to stay in the real world and fight for those she loves even if she knows she can never win for nika the end might look nothing like the fairy tale she was hoping for

vincible a capable of being overcome or subdued conquered book one greye every story contains faces on the fringes those on the outside looking in observers who seem to have no power or influence they're just along for the ride or are they they're people like greye and anna and sydney and nika all friends all people who go to borah high with airel airel used to be one of them trapped in the uncomplaining backdrop but there's something different about airel cross now and people like greye are beginning to notice it's undeniable like a clouded sunrise and it's no use concealing the inevitable these four girls greye and nika anna and sydney each have a story to tell they are the vincibles and their time is short for greye the end comes first
