a new york times notable book of the year women s prize for non fiction finalist this is the story of the marriage behind some of the most famous literary works of the 20th century and a probing consideration of what it means to be a wife and a writer in the modern world simply a masterpiece funder not only re makes the art of biography she resurrects a woman in full geraldine brooks winner of the pulitzer prize author of horse at the end of summer 2017 anna funder found herself at a moment of peak overload family obligations and household responsibilities were crushing her soul and taking her away from her writing deadlines she needed help and george orwell came to her rescue i ve always loved orwell funder writes his self deprecating humour his laser vision about how power works and who it works on so after rereading and savoring books orwell had written she devoured six major biographies tracing his life and work but then she read about his forgotten wife and it was a revelation eileen o shaughnessy married orwell in 1936 o shaughnessy was a writer herself and her literary brilliance not only shaped orwell s work but her practical common sense saved his life but why and how funder wondered was she written out of their story using newly discovered letters from eileen to her best friend funder re creates the orwells marriage through the spanish civil war and the second world war in london as she peeks behind the curtain of orwell s private life she is led to question what it takes to be a writer and what it is to be a wife a breathtakingly intimate view of one of the most important literary marriages of the

twentieth century wisdom speaks to our present moment as much as it illuminates the past genre bending and utterly original it is an ode to the unsung work of women everywhere

this book analyzes george orwell s politics and their reception across both sides of the atlantic it considers orwell s place in the politics of his native britain and his reception in the usa where he has had some of his most fervent emulators exegetists and detractors written by an ex teenage maoist from liverpool uk who now lives and writes in new york the book points out how often the different strands of opinion derive from ancestral ideological struggles within the communist trotskyist movement in the 30 s and how these often overlook or indeed consciously ignore the indigenous british politics and sociology that did so much to influence orwell s political and literary development it examines in the modern era what orwell did in his the seductions of simplistic and absolutist ideologies for some intellectuals especially in their reactions to orwell himself

the greatest danger to roman emperors was the threat of deadly conspiracies arising among the senate the imperial court or even their own families all the emperors that reigned from augustus to the end of the first century ad faced such efforts to overthrow or assassinate them john mchugh uncovers these conspiracies narrating them and seeking to explain them the underlying cause in many cases was the decline in influence patronage and status granted by emperors to the senatorial class leading some to seek power for themselves or a more generous candidate attempted assassinations or coups led the emperors to mistrust the senate and rely more on freedmen causing more resentment paranoid emperors often reacted to the merest hint of treason real or imagined with punishments and executions leading more of those around them to consider desperate measures out of self preservation and of course amid this vicious circle of poisonous mistrust there were ambitious family members promoting their own or their offspring s claims to the purple and the duplicitous praetorian guard john mchugh brings to light a century of assassination conspiracy and betrayal exploring the motives and aims of the plotters and the bloody cost of success or failure
