This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker such as the question of aspect, preterit imperfect and the Spanish indicative subjunctive. The English modal auxiliary system and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms and an answer key available upon request from the publisher.

aborda temas de actualidad así como la ciencia básica fundamental para un conocimiento detallado y completo de la anestesiología. Presenta contenidos totalmente actualizados e incorpora dos nuevos capítulos: implicaciones inmunitarias de los cuidados y la práctica de la anestesia y preparación para emergencias en la atención sanitaria. Proporciona nuevos contenidos en áreas clave como la sostenibilidad, la equidad sanitaria mundial, el efecto de los anestésicos en la función inmunitaria, la anestesia en poblaciones especiales, las enfermedades infecciosas incluida la COVID-19 y la exposición y la seguridad laborales. Ofrece una revisión exhaustiva de los fármacos anestésicos, las directrices para la práctica anestésica y la seguridad del paciente, las nuevas técnicas, las instrucciones paso a paso para el manejo del paciente y las necesidades específicas de los pacientes pediátricos. Todo ello reforzado con más de 1 200 imágenes en color y 300 nuevas en esta edición para una mayor claridad visual. Incluye la versión electrónica del libro en inglés que permite acceder al texto completo, las figuras, las referencias bibliográficas y una galería con más de 40 vídeos que muestran en tiempo real la colocación del paciente, ecografías, ecocardiogramas y otras técnicas de obtención de imágenes y anestesia, con una cobertura actualizada de todos los aspectos de la anestesiología desde las perspectivas histórica e internacional hasta los fundamentos científicos y la práctica clínica. La 10ª edición de Miller Anestesia continúa siendo la principal obra de referencia y aprendizaje para profesionales y estudiantes de esta disciplina. El Dr. Michael A. Gropper lidera un equipo de editores y autores expertos que aportan información actualizada sobre los aspectos técnicos, científicos y clínicos a los que el profesional se enfrenta en su día a día, ya sea durante la preparación de los exámenes de especialización o en el manejo de situaciones complejas en la práctica clínica.

Strategic Thinking: An Executive Perspective provides an overview of the major issues in strategy development for corporate executive programs and for practice oriented executive MBA programs. Any book on such a vast subject as strategy must make compromises and trade offs. This book is no exception. The choices of what to include, where and at what level of depth were guided by the book's primary objective as a companion volume to Case Analysis in an Executive Setting with a Global Outlook jacket.

The Routledge Companion to Art and Politics offers a thorough examination of the complex relationship between art and politics and the many forms and approaches the engagement between them can take. The contributors, a diverse assembly of artists, activists, scholars from

around the world discuss and demonstrate ways of making art and politics legible and salient in the world as such the 32 chapters in this volume reflect on performing and visual arts music film and new media as well as covering social practice community based work conceptual interventionist and movement affiliated forms the companion is divided into four distinct parts conceptual cartographies institutional materialities modalities of practice making publics randy martin has assembled a collection that ensures that readers will come away with a wider view of what can count as art and politics where they might find it and how it moves in the world the diversity of perspectives is at once challenging and fortifying to those who might dismiss political art on the one hand as not making sufficient difference and on the other to those embracing it but seeking a means to elaborate the significance that it can make in the world the routledge companion to art and politics brings together a range of issues and approaches and encourages critical and creative thinking about how art is produced perceived and received

jose guadalupe posada is one of the most important graphic artists of modern mexico this book offers a close examination of his extensive broadsheet work in its original context the murders disasters revolts and popular heroes that engaged the attention of the public in mexico city in the declining years of porfirio diaz s dictatorship patrick frank analyzes the sources of posada s style in mexican and european prints and cartoons and shows how he altered them to fill his illustrations with vigor and life frank shows that posada s outlook was that of the working class and that he depicted the stories of his day from a vantage point belonging neither to the defenders of the regime nor to its organized opposition this book brings fresh insights to the work of a major figure in mexican art history

this study examines the development of panamanian nationalism focusing on the period from 1903 to 1941 utilizing historiography literature public architecture and monuments szok posits that panamanian nationalism is in part a legacy of the nineteenth century when panama experienced a nationalist movement typical of the rest of latin america this movement was a creation of the country s white elite who feared the afro mestizo masses and sought the protection of outside powers later joining forces with the growing middle class the upper class continued to emphasize liberalism and promoted nostalgia for things hispanic this effort left it largely divorced from the afro caribbean culture of the terminal cities and would ultimately contribute to its loss of power in 1968 the elite s goal of constructing an interoceanic canal that would europeanize the isthmus and open it to investment was realized in 1903 with the intervention of the united states and the separation from colombia the canal and independence soon fostered a rising middle class who became disillusioned with post independence society and the limits placed upon its professional advancement once united with the elite in the protection of their own interests the middle class used nostalgia to protect their social position even as they continued to press for modernization szok challenges some long held stereotypes of panama particularly that it was invented by the united states and that its development is unique and thus lies outside the trajectory of latin america
