distance education is arguably one of the major developments in education during the
20th century this title explores the array of distance education theories and practices
as they have been shaped by the late 20th century and then positions these in terms
of the contemporary circumstances of the 21st century

written for introductory marketing classes this text explains what information is needed
to plan and implement a successful marketing campaign and how to find that data
including details on finding such relevant facts as the size of a potential market the
shopping and buying habits of consumers in that market and the competitive and
environmental factors that may affect a campaign this primer will guide readers to
become savvy marketing managers

this book titled a passion for success demonstrates forcefully how the identified
individuals despite their blindness surmounted challenges in their own lives in order to
achieve success and in doing so invariably improved the quality of lives of others
consisting of fourteen chapters each containing a unique story with a compelling
theme the underlying message in the book appears to resonate with the view of
booker t washington 1856 1915 a leading african american intellectual of the 19 century
who observes that success is to be measured not so much by the position one has
reached in life as by the obstacles one has overcome while trying to succeed

jazz and totalitarianism examines jazz in a range of regimes that in significant ways may be described as totalitarian historically covering the period from the franco regime in spain beginning in the 1930s to present day iran and china the book presents an overview of the two central terms and their development since their contemporaneous appearance in cultural and historiographical discourses in the early twentieth century comprising fifteen essays written by specialists on particular regimes situated in a wide variety of time periods and places interdisciplinary in nature this compelling work will appeal to students from music and jazz studies to political science sociology and cultural theory
