as an educator with many years of experience in directing english as a second language esl and cross cultural programs kathleen gripman spotted a troubling gap in the educational preparation of many students learning the essentials of american history is a

critical educational milestone but most overviews of america s story are designed for reading levels beyond the ability of most english language learners gripman decided to fill that gap with the richly illustrated and fun to read book american history made easy the book begins with the meeting of european and native cultures in what is now the u s after the voyage of christopher columbus in 1492 the story continues through the american revolution the expansion of the nation in the 1800s the civil war and key events in america s most recent century of challenges and triumphs to make students studying easier the book also includes lots of supplemental materials among them study questions the text of the u s constitution a list of american authors and recommended reading a glossary and an index gripman had the perfect qualifications to meet this challenge as a successful business owner supervising esl educators in southeast michigan and as a developer of some of the literacy training materials used in her programs gripman also had lived overseas including five years of service in europe with the u s navy she designed her overview of american history for the millions of english language learners ell including english as a second language students who are studying each year across the united states the book can be used either in a classroom or for self study between these covers gripman narrates the essential chapters of american history written at an intermediate reading level and accompanied by original black and white sketches and charts to deepen reader recall in selecting the chapters to include she drew on the questions frequently asked on exams and certification tests that immigrants commonly encounter making the book a practical way to prepare for testing most importantly gripman decided not to distill america s story into a series of dry facts to be memorized writing in an engaging narrative style her book also is ideal for any reader who wants an overview of the essentials of american history

healthcare economics made easy third edition is a clear and concise text written for those working in healthcare who need to understand the basics of the subject but who do not want to wade through a specialist health economics text it will equip the reader with the necessary skills to make valid decisions based on the economic data and with the background knowledge to understand the health economics literature this new edition builds on the success of the second edition by updating the material on the nice appraisal process and including new sections on health technology assessment in the usa and the key role of the institute for clinical and economic review this book provides insight into the economic methods that are used to promote public health policies the techniques used for grading and valuing evidence and the statistics relied upon without trying to re train the reader as a health economist if you are left bemused by terms such as qaly health utility analysis and cost minimization analysis then this is the book for you second edition highly commended in the bma medical book awards here s what the judges said this is one of the few textbooks i would suggest every clinician reads

learn how to tell a first down from a touchdown and get up to speed on the latest trends in the sport football for dummies is a
