culinary landmarks is a definitive history and bibliography of canadian cookbooks from the beginning when la cuisinière bourgeoise was published in quebec city in 1825 to the mid twentieth century over the course of more than ten years elizabeth driver researched every cookbook published within the borders of present day canada whether a locally authored text or a canadian edition of a foreign work every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women s groups the entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books driver s excellent general introduction sets out the evolution of the cookbook genre in canada while brief introductions for each province identify regional differences in developments and trends four indexes and a chronology of canadian cookbook history provide other points of access to the wealth of material in this impressive reference book

bringing together top specialists in the field this edited volume challenges the theory that the eighteenth century british intellectual women known as the bluestockings were an isolated phenomenon spanning the period from the 1750s through the 1790s on the contrary the contributors suggest the bluestockings can be conceptualized as belonging to a chain of interconnected networks taking their origin at a threshold moment in print media and communications development and extending into the present the collection begins with a definition of the bluestockings as a social role rather than a fixed group a movement rather than a static phenomenon an evolving

dynamic reaching into our late modern era essays include a rare transcript of a bluestocking conversation new previously unknown bluestockings brought to light for the first time and descriptions of bluestocking activity in the realms of natural history arts and crafts theatre industry travel and international connections the concluding essay argues that the blues reimagined and practiced women s work in ways that adapted to and altered the course of modernity decisively putting a female imprint on economic social and cultural modernization demonstrating how the role of the bluestocking has evolved through different historical configurations yet has structurally remained the same the collection traces the influence of the blues on the romantic period through the nineteenth century and proposes the reinvention of bluestocking practice in the present
