this set includes *Lies Women Believe* and the *Lies Women Believe Companion Guide*. In *Lies Women Believe*, bestselling author Nancy Demoss Wolgemuth exposes those areas of deception most commonly believed by Christian women: lies about God, sin, priorities, marriage, and family emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Many women live under a cloud of personal guilt and condemnation, says Demoss; many are in bondage to their past, others are gripped by fear of rejection and a longing for approval, still others are emotional prisoners. Satan is the master deceiver, and his lies are endless, and the lies Christian women believe are at the root of most of their struggles. In the *Lies Women Believe Companion Guide*, Demoss divides the study into ten sessions for individuals or small groups. Each chapter includes the following features: in a nutshell, gives you an overview of the chapter to be studied from *Lies Women Believe* and reminds you of the lies discussed within that chapter; exploring the truth, offers a daily personal study for you to complete during the course of the week between your small group meetings; each day's study includes a few pages to read from *Lies Women Believe* and then questions to answer under the subtitles: realize, reflect, and respond; walking together in the truth, provides questions to be discussed when your small group meets. Now there is a resource that will help you go deeper with the truths from Demoss's best-selling book *Lies Women Believe*. These penetrating questions will make you and your friends think and wrestle with the truth as you search the Bible for answers to tough issues. Truth is not just something to know but something to live out in the laboratory of life as you apply the word to real-life situations. The companion guide for *Lies Women Believe* is ideal for small groups, Bible studies, and Sunday school classes.
