my goal upon entering moody s mabs program was then as it is now to know god better and to love him more before completing the program i began praying to know what god had in mind for me next while praying i realized that some if not much of the biblical knowledge i had recently gained would likely slip from my mind if i did not take steps to prevent that i was then led to compile my written assignments into a well organized anthology as i prayerfully worked on that project i realized that the finished product could well serve as a christian discipleship or small group study that led me to prayerfully consider making the project available to everyone now along with westbow press i am blessed to invite you to embark on a journey through your own at home seminary

king solomon asserted love is as strong as death song of solomon 8 6 solomon the wisest of all israel s kings recognized that while every human would eventually succumb to death death is not ultimate in power the god whose essence is love designed and created both human life and death as instruments for the display of his own splendor and purposes neither human life nor death then can deviate from god s ultimate purpose and good for the creature made in his own image biblically death serves as the perfect foil to mark both the immeasurable value of human life and at the same time the relatively limited value of it rather than either worshipping or desecrating this finite gift of human life we can value it rightly and also worship the god who in his literally infinite wisdom gives and takes away life in accord with his good and gracious purposes

this updated second edition of köstenberger and jones s landmark work tackles the latest debates and cultural challenges to god s plan for marriage and the family and urges a return to a biblical foundation

the obvious secret a discipleship journey to christian maturity by bruce c steffens the obvious secret explores the various major beliefs of the christian faith from a logical and analytical standpoint it is intended for two purposes first it is a resource to develop christian discipleship curriculum for teachers and instructors secondly it is self study resource for seekers new believers and even established believers it contains a systemic approach to understand the why of what we believe and then helps one to establish and deepen a personal relationship with god the book is not intended to tell someone what to believe but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves however without a vibrant relationship with god all the understanding of god s principles and truths are academic a mature disciple is the person whose best friend is god and who helps those around him or her to know god s love and create their own relationship with god

there are few beliefs more essential to christianity than that of the trinity millard erickson seeks to provide a lucid and judicious answer to the question is jesus eternally subordinate to the father or is jesus equal with the father in addition to providing rigorous theological analysis of that question erickson exposes flaws in familial implications derived from the trinity this increasingly debated topic has finally received a thorough careful and objective treatment
