in the early 21st century poverty impoverishment and inequalities are increasing across the european continent these phenomena not only weaken the social cohesion of european societies they also violate human rights including social and civil and political rights and question the functioning of democracy how can people living in poverty make their voices heard in polarised societies where more than 40 of assets and 25 of revenues are held by 10 of the population this guide is the result of two years of collective discussion held within the framework of the project the human rights of people experiencing poverty it was prepared with the assistance of many individuals and organisations including people living in poverty researchers associations and representatives of public authorities as well as offering a critique of the current situation analysing inequality and poverty through the prism of human rights democracy and redistributive policies the guide also invites the reader to explore the possibilities of a renewed strategy to fight poverty in order to restore a sense of social justice it makes proposals that aim to overcome the stigmatisation and categorisation of people opening pathways of learning to build well being through sharing avoiding waste and by enhancing public awareness around the principle of human dignity as a human right for all

how should we live in this house of god we know that the way a building is shaped also helps in

determining the way those within it live and relate we are indeed formed by what we form qualities such as integrity hospitality humanity and beauty in a place will enable its dwellers to live lives in which such qualities are evident the way we understand who we are and how we live will be reflected in our places and vice versa our places become bearers of meaning and memory from chapter 1in living in the house of god margaret malone draws on her study of and research on the rule of saint benedict to show the ways in which this ancient rule can illuminate modern life the broad gamut of topics this book examines from benedictine life as sacrament to augustine s influence on benedict to obedience and the art of listening among others is itself a witness to the generous flexibility of the rule as benedict proposes a way of life that truly corresponds to the deepest needs of the whole of human nature

the bureau of social hygiene made this study of 18 000 working women the study presents statistics on living and working conditions and concludes that the living situation of single working women requires attention
