my book is a collection of poems and lyrics that i started writing about 30 years ago and
finally decided to put on something more permanent i like to write about the inequalities
that seems to permeate throughout our country from the racial ignorance and bigotry or the
fact that the people that are supposed to represent us seem to never have our collective
interest at heart we never challenge the things we know to be true or false anymore lies
that damage our country should never be tolerated nor repeated we need to demand
honesty and accountability from all elected officials i write what i feel and what i see as an
assault on all of us and on our democracy
