this book will be the first account of the development of chinese as a foreign language in the u s as it interacts with the relevant  
entities in china and beyond there are virtually no systematic retrospective reflections on the field outside of the greater china  
region and yet over the past decades the field has grown by leaps and bounds and it is critical now that we pause to reflect on what  
has happened and what we can learn from the past the contributors are among some of the most influential pioneers in the field  
whose entire academic lives have been dedicated to its development the field of chinese language education in the u s a  
retrospective of the 20th century is aimed at those who are currently engaged in chinese language education as teachers or as  
students
