a classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former national ambassador of books for young people, a strong choice for summer reading, an engaging and powerful autobiographical exploration of growing up a so-called bad boy in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously; he would check out books from the library and carry them home hidden in brown paper bags in order to avoid other boys teasing. He aspired to be a writer and he eventually succeeded, but as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

As a young child, Walter Dean Myers suffered from a speech impediment. As a way of dealing with it, he spent a lot of time reading. This boy who loved comic books would become a highly regarded children's book author. Myers, who often writes stories based on growing up in Harlem, has won numerous Coretta Scott King Awards, Newbery Honor Medals, and Horn Book Awards. This well-written book discusses his life and provides insight into some of his best-known works, such as *Monsters*, *Fast Sam*, *Cool Clyde*, *Fallen Angels*, and *Hoops*.
