screenwriting creative labor and professional practice analyzes the histories practices identities and subjects which form and shape the daily working lives of screenwriters author bridget conor considers the ways in which contemporary screenwriters navigate and make sense of the labor markets in which they are immersed chapters explore areas including screenwriting histories and myths of the profession screenwriting as creative labor screenwriters working lives screenwriting work and the how to genre screenwriting work and inequalities drawing on historical and critical perspectives of mainstream screenwriting in the usa and uk as well as valuable interviews with working screenwriters this book presents a highly original and multi faceted study of screenwriting as creative labor and professional practice the open access version of this book available at taylorandfrancis com has been made available under a creative commons attribution noncommercial no derivatives 4 0 license taylorfrancis com books 9780203080771

this book examines the complex and conflicting relationships between lgbt people and our cultural and heritage organisations including libraries museums and archives in this unique book established author john vincent draws together current good practice and also highlights issues which urgently still need to be addressed to set the work of libraries museums and archives in context vincent traces the development of lgbt rights in the uk he goes on to examine some of the reasons for hostility and hatred against this minority group and critically explores provision that has been made by cultural and heritage organisations he offers examples of good practice not only from the uk but from across the world and draws up an essential charter for future development this compelling practical book should be read by managers and staff in libraries museums and archives around the world looking for guidance on this important issue

austerity has proven deadly over the last decade the damage caused by austerity measures in the uk has had a long lasting and profound effect on many lives the first edition of austerity bites offered on the ground reportage of one of the most significantly regressive economic strategies of any post war government over a year mary o hara toured the uk to gauge the immediate impact and expectations of people affected and found many clinging to the hope that austerity cuts would not last long as the damage became increasingly apparent alas this was not how things unfolded instead much of the welfare state had its vital support systems systematically undermined the public sector including the nhs is now on its knees schools are buckling under multiple structural and budgetary pressures councils even big ones are going broke homelessness is rampant while brexit the pandemic and war have no doubt impacted the economic health of the country previous austerity cuts left the uk less prepared to weather such extraordinary events

with new commentary austerity bites 10 years on assesses on the true scale of the damage these policies have inflicted on the country's most vulnerable groups public institutions and on the wider society it reflects on where we have been where we are now and what needs to happen next to undo the damage and avoid the same mistakes again

hindu nationalism is transforming india as an increasingly dominant ideology and political force but it is also a global phenomenon with sections of india's vast diaspora drawn to or actively supporting right wing hindu nationalism indians overseas can be seen as an important even inextricable aspect of the movement this is not a new dynamic diasporic hindutva hindu ness has grown over many decades this book explores how and why the movement became popular among india's diaspora from the second half of the twentieth century it shows that hindutva ideology and its plethora of organisations have a distinctive resonance and way of operating overseas the movement and its ideas perform significant particular functions for diaspora communities with a focus on britain edward t g anderson argues that transnational hindutva cannot simply be viewed as an export this phenomenon has evolved and been shaped into an important aspect of diasporic identity a way for people to connect with their homeland he also sheds light on the impact of conservative indian politics on british multiculturalism migrant politics and relations between various minoritised communities to fully understand the hindutva movement in india and identity politics in britain we must look at where the two come together

since taking power in 2010 the coalition government in the united kingdom has pushed through a drastic program of cuts to public spending all in the name of austerity the effects on large segments of the population dependent on programs whose funding was slashed have been devastating and will continue to be felt for generations this timely book by journalist mary o'hara chronicles the real world effects of austerity removing it from the bland technocratic language of politics and showing just what austerity means to ordinary lives drawing on hundreds of hours of first person interviews with a wide range of people and in the paperback edition featuring an updated afterword by the author the book explores the grim reality of living amid the biggest reduction of the welfare state in the postwar era and offers a compelling corrective to narratives of shared sacrifice

exploring case studies from the first gulf war to the syria crisis this book discusses different approaches to the use of international law and the role it plays in international power politics analysis of the post cold war overseas military involvements of western powers has focused on their legality and legitimacy allowing for a conflation of the concepts and distracting from the true source of international legitimacy demonstrating compliance with international law can

be helpful but it plays a secondary role to other more powerful considerations such as national interest and shared national security concerns exploring the key drivers for decision makers this book identifies the impact of previous experience on the use of international law in the quest for legitimacy ahead of launching military action patterns in approach and of relations between close western allies in particular the uk and us are identified offering valuable lessons for future strategic decision making this book will appeal to scholars and students of international relations and international law think tanks focussing on international relations and the use of force and practitioners working in the realm of foreign policy with a focus on the un and international law will also be interested in the study and conclusions drawn

in june 2015 we held a workshop on the beautiful island of mallorca spain with a focus on sea level variability and change over 120 sea level experts from around the world attended this workshop from a range of different disciplines the main aims of the workshop were to 1 evaluate the current state of knowledge of sea level science 2 identify gaps and unresolved questions in any aspect of sea level science and 3 design future research to address these issue all aspects of sea level changes were covered from global to regional observations and modelling processes driving mean sea level changes and extremes from the geological scale to the instrumental era and future projections and including impacts on the coastal zones this e book presents papers that came out of that workshop overall these papers illustrate the multi disciplinary nature of sea level research cross cutting many fields of research including oceanography meteorology geology coastal morphodynamics engineering and the social economic aspects collectively theses articles represent an interesting range of perspectives and original studies that contribute to understanding the dynamic nature of sea level and its impacts across a wide range of time and space scales enjoy reading them

there was no way she could hide the bump lenora whitaker never thought spending one night with u s marshal clayton caldwell would put them in the crosshairs of a killer connected to a protective custody case gone awry they are both attacked leaving clayton with a damaging case of amnesia and forcing lenora to go on the run

never mess with the queen bee in high school popularity can mean everything especially when you don t have it this collection of four young adult novels tackles the ups and downs of climbing the slippery high school social ladder with sharp biting humour powerful emotion and characters that every teenage girl will relate to

love is the best medicine dr lana donnoli didn t want to imagine the braden macdowell she had once loved could have

turned so cold and calculating but the billionaire ceo was taking away her funding just what was going on beneath her ex fiancé s icy façade

secrets had torn them apart and reunited them in a way neither had expected

small town girl big time crush amy wilson longs to escape the pointed barbs and knowing looks that come with having a certain reputation in a small town a temp job with ceo jack shepard seems to offer a way out if only she can stay focused on her goal

dr tina jamison feared what would happen when her kidnappers discovered they d taken the wrong woman the man standing watch over her was an imposing scarred figure only she didn t realise this guard was undercover agent drew lancaster and he never left a fellow agent behind
