over the past few decades universities have opened their doors to students whose parents and grandparents were historically excluded from societal participation and higher education for reasons associated with racial ethnic socio economic and or linguistic diversity many of these students are first generation or first in their family to attend university while some progress has been made in responding to the needs of these internationally underserved learners many

challenges remain this edited book features the unique and diverse experiences of first generation students as they transition into and engage with higher education whilst exploring ways in which universities might better serve these students with reference to culturally responsive and sustaining research methodologies undertaken in australia canada new zealand south africa the uk and the usa the contributors critically examine how these students demonstrate resilience within university and ways in which success and challenges are articulated elements that are unique to context and shared across the international higher education milieu are explored the book is replete with diverse student voices and compelling implications for practice and future research the studies featured are centred on underlying theories of identity and intersectionality while valuing student voices and experiences throughout the emphasis is on using strengths based indigenous and decolonised methodologies through these culturally sustaining approaches which include critical incident technique participatory learning and action talanoa and narrative inquiry the book explores rich data on first generation student experiences at seven institutions in six countries across four continents

this book explores how first generation college students negotiate the culture of higher education through an embrace of their multiple identities featuring contributors with multiple experiences and identities this volume attempts to shed light on the creative approaches first generation students use to succeed in college as well as help broaden the vision of the institutions they choose to call their intellectual home in doing so this text argues that higher education institutions can and should factor the experiences and insights of first generation students into the ongoing process of revitalizing their mission this resource will appeal to scholars researchers and upper level students with interests in higher education cultural studies philosophy of education decolonial studies and social mobility

co published with more first generation students are attending college than ever before and policy makers agree that increasing their participation in higher education is a matter of priority despite this there is no agreed definition about the term few institutions can quantify how many first generation students are enrolled or mistakenly conflate them with low income students and many important dimensions to the first generation student experience remain poorly documented few institutions have in place a clear well articulated practice for assisting first generation students to succeed given that first generation students comprise over 40 of incoming freshmen increasing their retention and graduation rates can dramatically increase an institution s overall retention and graduation rates and enhance its image and desirability it is clearly in every institution s self interest to ensure its first generation students succeed to identify and count them and understand how to support them this book provides high level administrators with a plan of action for deans to create the awareness necessary for meaningful long term change sets out a campus acclimation process and provides guidelines for the necessary support structures at the heart of the book are 14 first person narratives by first

generation students spanning freshman to graduate years that help the reader get to grips with the variety of ethnic and economic categories to which they belong the book concludes by defining 14 key issues that institutions need to address and offers a course of action for addressing them this book is intended for everyone who serves these students faculty academic advisors counselors student affairs professionals admissions officers and administrators and offers a set of best practices for how two and four year institutions can improve the success of their first generation student populations an acpa publication
