paul s gospel is misunderstood paul s gospel is seen as his message perhaps an empowered message he saw it differently his gospel can be many things tradition about jesus jesus christ himself the ministry of jesus the replication of the ministry of jesus god s salvific drama the salvation experience of people a message and something that can and should be embodied or lived and the gospel does not come to people in paul s preaching he says it comes or takes place in both his message and the miraculous without the involvement and acts of god in the miraculous for paul there would have been no gospel only preaching it is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it in the gospel s coming or establishment it is clear that at heart the gospel is god s salvation the presence of god himself in christ experienced in the symbiotic relationship between paul s message about god s son jesus christ and the activity of god in the miraculous not surprisingly then paul rarely talks of preaching the gospel he sees himself as gospelling
