drawing upon more than two decades of research in secondary and documentary publications as well as archival materials from the united states the soviet union and britain saul reveals a wealth of new detail about contacts between the two countries between the american revolutionary war and the purchase of alaska in 1867

sicker examines the role of the united states within the western hemisphere and the geopolitical and geostrategic factors that have helped shape its policies in the region he demonstrates that such factors have contributed heavily to establishing the patterns of state development and interstate relations in the western hemisphere throughout its modern history the prevailing geopolitical environment has been conditioned to a large extent by the emergence of the united states as the unquestionably dominant power in the extensive region however that status did not exist at the time it achieved its independence it was brought about through almost incessant conflict with and expansion at the expense of other states nations and peoples over more than a century as a result the concerns and interests of the dominant power became and remain of necessity factors that states beyond the borders of the united states must take into consideration when pursuing their own national interests and policies as sickler amply demonstrates failure to do so will often produce undesirable consequences for the offending state as is clear however the states of the hemisphere have their own geopolitical interests and concerns independent of and sometimes conflicting with those of the united states as sickler shows throughout the volume and especially in his analysis of inter american conflicts many of the nations of latin america have unresolved territorial controversies with their neighbors that date to their origins as independent states because of this troubled geopolitical legacy there have been numerous conflicts among the states of latin america some of which the united states has attempted to mediate or arbitrate and some that seem impervious to a permanent negotiated settlement this is a provocative analysis that will be of interest to scholars students researchers and policymakers involved with inter american relations and u s diplomacy

geopolitics is concerned with the interface of geography and international relations parker traces geopolitics from its origins to today issues include the persistence of ethnic national and religious conflicts environmental problems unequal resource use and the impact of globalization above all there is the inadequacy of existing geopolitical structures and the need to devise new ones more relevant to the needs of the contemporary world

essays focus on the newly independent muslim republics of the former soviet union in central asia especially uzbekistan tajikistan and azerbaijan contributors address recent economic and political developments the resurgence of islamic political identity ethnic allegiances and rivalries and democratic aspirations of the region other topics include ties between the peoples of central asia and the four southwest asian states and the implications of regional developments for the west annotation copyright by book news inc portland or

sean connery s tuxedo ursula andress bikini oddjob s bowler hat and q s gadgets are just a few defining features of the 007 world examined in the james bond phenomenon drawn from the fields of literary film music and cultural studies the essays in this collection range from revitalized readings of ian fleming s original spy novels to the analysis of pussy galore s lesbianism miss moneypenny s filmic feminism and pierce brosnan s techno fetishism together the essays not only consider the james bond novels and films in relation to their historical political and social contexts from the cold war period onwards but also examine the classic bond canon from an array of theoretical perspectives this updated and expanded edition features new essays on a range of hot topics including daniel craig s debut as bond playboy magazine s obsession with the 007 lifestyle bond s erotic orientalism and the rise of 007 video gaming
