the performance review it is one of the most insidious most damaging and yet most ubiquitous of corporate activities we all hate it and yet nobody does anything about it until now straight talking sam culbert management guru and ucla professor minces no words as he puts managers on notice that with the performance review as their weapon of choice they have built a corporate culture based on intimidation and fear teaming up with wall street journal senior editor lawrence rout he shows us why performance reviews are bogus and how they undermine both creativity and productivity and he puts a good deal of the blame squarely on human resources professionals who perpetuate the very practice that they should be trying to eliminate but culbert does more than merely tear down he also offers a substitute the performance preview that will actually accomplish the tasks that performance reviews were supposed to but never will holding people accountable for their actions and their results and giving managers and their employees the kind of feedback they need for improving their skills and to give the company more of what it needs with passion humor and a rare insight into what motivates all of us to do our best culbert offers all of us a chance to be better managers better employees and indeed better people culbert has long said his goal is to make the world of work fit for human consumption get rid of the performance review shows us how to do just that

offers prescriptions for effecting successful change centered around three guiding principles conveying the message through supervisors communicating face to face and making the changes relevant to each work area

an imaginary african country mungeruun gains its independence from the colonial authorities after a fairly protracted but bloodless struggle an internal struggle for power between a few of its politicians is amicably sorted out in the interest of national cohesion an army coup that involved a lopsided assassination of principal officers and civilian leaders is followed by a counter coup with indiscriminate killing of officers and civilians alike a devastating civil war in which the former colonial master plays less than an

impartial role follows an unusual collaboration between the eastern and western world power blocks ensures the defeat of the rebellious section of the country that section had declared that its military technology was light years ahead of that of the other side perhaps thereby provoking cooperation against her by strange bedfellows the acclaimed leader of the free world is apparently persuaded to play a mere observer role under the persuasion that the conflict is an internal affair of the concerned country the discovery of massive reserves of oil places the reunited country in an unprecedented economic advantage but the new rich status of the country does not translate to a better life for the majority of the countrys peoples as monumental and unimaginable levels of corruption bedevils the framework of the once promising nation whose patriots of old had sacrificed so much to ensure its independence and progress what went wrong with the corruption of the young even from the cradles are there hopes for a return to the path of good and patriotic governance
