the 1 bestselling memoir by the adventure legend and star of nbc's *running wild with bear grylls* bear grylls has always sought the ultimate in adventure growing up on a remote island off of britain's windswept coast he was taught by his father to sail and climb at an early age inevitably it wasn't long before the young explorer was sneaking out to lead all night climbing expeditions as a teenager at eton college bear found his identity and purpose through both mountaineering and martial arts these passions led him into the foothills of the mighty himalayas and to a karate grandmaster's remote training camp in japan an experience that soon helped him earn a second degree black belt returning home he embarked upon the notoriously grueling selection course for the british special forces to join the elite special air service unit twenty one sas a journey that would push him to the very limits of physical and mental endurance then disaster bear broke his back in three places in a horrific free fall parachuting accident in africa it was touch and go whether he would walk again according to doctors however only eighteen months later a twenty three year old bear became one of the youngest climbers to scale mount everest the world's highest summit but this was just the beginning of his many extraordinary adventures known and admired by millions as the star of *man vs wild* bear has survived where few would dare to go now for the first time he tells the story of his action packed life gripping moving and wildly exhilarating *mud sweat and tears* is a must read for adrenaline junkies and armchair explorers alike

in exploring the shifting realities of missionary experience during the course of imperialist ventures and the catholic reformation the frontiers of mission perspectives on early modern missionary catholicism provides a fresh assessment of the challenges that the catholic church encountered at the frontiers of mission in the early modern era bringing together leading international scholars the volume tests the assumption that uniformity and co ordination governed early modern missionary enterprise and examines the effects of distance and de centering on a variety of missionaries and religious orders its essays focus squarely on the experiences of the missionaries themselves to offer a nuanced consideration of the meaning of missionary catholicism and its evolving relationship with newly discovered cultures and political and ecclesiastical authorities

these essays add a unique perspective to studies that reconstruct the identity of manhood in early modern europe including france switzerland spain and germany the authors examine the ways in which sixteenth and seventeenth century authorities both secular and religious labored to turn boys and men into the christian males they desired topics include disparities among gender paradigms that early modern models prescribed and the tension between the patriarchal model and the civic duties that men were expected to fulfill essays about martin luther a prolific self witness look into the marriage relationship with its expected and actual gender roles contributors to this volume are scott h hendrix susan c karant nunn raymond a mentzer allyson m poska helmut puff karen e spierling ulrike strasser b ann tlusty and merry e wiesner hanks

this companion offers a state of the art survey of the work of john stuart mill one which covers the historical influences on mill his theoretical moral and social philosophy as well as his relation to contemporary movements its contributors include both senior scholars with established expertise in mill s thought and new emerging interpreters each essay acts as a go to resource for those seeking to understand an aspect of mill s thought or to familiarise themselves with the contours of a debate within the scholarship the companion is a key reference on mill s theory of liberty and utilitarianism but also provides a valuable resource on lesser known aspects of his work including his epistemology metaphysics and philosophy of language the volume is divided into six sections part i covers mill s life his immediate posthumous reputation and his own telling of his life story part ii brings together an accessible and comprehensive summary of the various influences on mill s thought part iii offers an account of the foundations of mill s philosophy and his thought on key philosophic topics parts iv and v tackle issues from mill s moral and social philosophy part vi concludes with a treatment of the broader aspects of mill s thought tracing his relation to major movements in philosophy
