student affairs is now part of the management and administrative structure of almost every college and university in the united states professional staff working under the banner of student affairs are engaged in a wide variety of educational support and service functions measured by almost any standard today s student affairs profession has never been stronger there are still however a number of critical issues that must be debated and discussed if the student affairs profession is to move forward in the years ahead critical issues for student affairs identifies the most vital issues currently confronting the student affairs profession each chapter in this important volume focuses on a specific issue and presents a background a summary of related research and writing an examination of the issue related references and a list of suggestions for further discussion

this book argues that the current structure of student affairs work is not sustainable as it depends on the notion that employees are available to work non stop without any outside responsibilities that is the ideal worker norm the field places inordinate burdens on staff to respond to the needs of students often at the expense of their own families and well being student affairs professionals can meet the needs of their students without being overworked the problem however is that ideal worker norms pervade higher education and student affairs work thus providing little incentive for institutions to change the authors in this book use ideal worker norms in conjunction with other theories to interrogate the impact on student affairs staff across functional areas institutional types career stage and identity groups the book is divided into three sections chapters in the first section of the book examine various facets of the structure of work in student affairs including the impact of institutional type and different functional areas on employees work lives chapters in the second section examine the personal toll that working in student affairs can take including emotional labor s impact on well being the final section of the book narrows the focus to explore how different identity groups including mothers fathers and people of color navigate work life issues challenging ideal worker norms all chapters offer implications for practice for both individuals and institutions

the foremost authorities on student affairs address issues facing the field today the handbook of student affairs administration is a comprehensive and thoughtful resource for the field with expert insight on the issues facing student affairs this fourth edition has been fully updated to reflect the most current and effective practices in student affairs administration new chapters address persistence retention and completion teaching and learning working with athletics and recreation leadership purpose and civic engagement spirituality and fundraising emerging populations are discussed throughout featuring specific advice for working with veterans and dual enrolling high school students new material includes the role of student affairs in study abroad programs student use of technology and using social media to serve students working with student athletes

and more professionals at all levels of student affairs administration need practical timely and applied information on the myriad issues that fall under the student affairs umbrella this naspa sponsored guide collects the latest information methods and advice from the field's leading authorities to bring you up to date on the latest solutions and best practices learn about the dominant organization and administration models in student affairs stay up to date on core competencies and professional development models examine the latest literature and consider both the newest and lasting issues facing student affairs instructor resources available as both the student population and the college experience grow more diverse student affairs professionals need to update their toolset to face the broader scope of the field and the new challenges that arise every day the handbook of student affairs administration provides invaluable guidance to graduate students and professionals alike and is the one resource you should not be without

sponsored by american college personnel association and national association of student personnel administrators good practice in student affairs expands on key practice standards outlined in a joint document sponsored by the american college personnel association and the national association of student personnel administrators the principles of good practice for student affairs based on the findings of the joint study group this volume identifies the best practices in student affairs presents research used to define the practices and gives examples of how to use these principles in the field this essential guide to effective practice is for student affairs professionals on all types of campuses authors include leading scholars and experienced practitioners in the fields of higher education and student affairs they draw from the most current thinking and research to show how readers can translate principles for good practice into programs and services that support curricular objectives advance student learning and development and enrich campus communities in a field where there have been diverging views of the role scope and mission of student affairs work this resource provides a comprehensive action plan for fostering the education of students through student affairs

emerging international issues in student affairs research and practice explores student affairs through research methodologies and practices it encourages intercultural perspectives and evidence based research divided into theoretical considerations and emergent international issues highlighting global concerns and implications

sponsored by the national association of student personnel administrators this comprehensive volume offers practitioners at all levels specific guidelines strategies and practical advice on how to effectively manage and administer the student affairs of diverse college and university campuses student affairs practitioners will find this book a valuable source of information on mastering the higher education political process

sharpening management conflict resolution skills and advancing methods for assessing outcomes of programs and services

student affairs organizations are at a crossroads they face expanding enrollments a concomitant increase need for often more complex services changing demographics a growing cohort of non traditional and first generation students shifting and more demanding responsibilities and increased expectations from the greater campus community parents and external constituents these challenges are intensified by the accelerating speed of advancements in technology globalization innovation and student consumerism and by the long term reality of shrinking resources and limitations on the ability to increase tuition and fees this book shares alternative ideas about organizational design and about ways to restructure roles and responsibilities to enable student affairs organizations to respond to these challenges and demands more effectively at a time of reduced resources it also addresses the many emerging roles that student affairs organizations are increasingly being expected to address such as it fund raising and development external communications human resources management and professional development as well as research and assessment and describes approaches developed by a variety of institutions the contributors also pay attention to the solutions appropriate for smaller institutions and for community colleges they explore the various dimensions of change and offer frameworks to help student affairs leaders and practitioners to more effectively understand and manage the changes they are confronting and describe ideas and solutions adopted by others within the profession

here finally is a publication completely dedicated to strategic planning in student affairs this volume applies business and nonprofit techniques to higher education bringing the topic of strategic thinking planning and acting to the daily work of the profession editor shannon ellis vice president of student services in the college of education at the university of nevado reno and contributing authors take the student services practitioner through the process of preplanning implementation and assessment they explore the role that student services strategic planning plays in budget work academic relations and crisis management with case studies from tulane university and university of nevada reno and in depth advice from the field this volume provides student affairs professionals with the guidance needed to launch collaborative flexible and effective student services strategic planning in their own institutions this is the 132nd volume of the jossey bass quarterly report series new directions for student services an indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals new directions for student services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual

now in its fifth edition student services a handbook for the profession has been hailed as a classic reference in the field in this important resource a new cast of student affairs scholars and practitioners examine the changing context of the student experience in higher education the evolution of the role of student affairs professionals and the philosophies ethics and theories that guide the practice of student affairs work the fifth edition covers a broad range of relevant topics including historical roots and development of the profession philosophies and ethical standards legal issues theoretical bases of the profession organizing and managing student affairs programs and essential competencies leadership multiculturalism supervision teaching counseling and helping skills advising and consultation conflict resolution community development professionalism and developing institutional partnerships it also addresses the future of student affairs practice and how it is informed by student learning outcomes and technology the painstakingly thorough coverage of topics important to the profession of student affairs makes this handbook a valuable resource to the scholarly and practice communities of the profession john m braxton professor higher education leadership and policy program peabody college vanderbilt university editor journal of college student development continues three decades of excellence in providing a comprehensive set of resources that provides firm grounding for the higher education student affairs community in all aspects of our profession michael j cuyjet professor department of educational and counseling psychology university of louisville casts an impressively wide net thoroughly capturing critical topics and offering a deeply nuanced and technical yet readily accessible narrative trajectory and study of student affairs in higher education theresa a powell vice president for student affairs temple university

this volume explores the tensions between the student affairs foundation of holistic student development and the changing culture of corporatization while there is ample evidence of neoliberalism in the academic affairs of higher education there is very little to no research to understand how neoliberalism is driving the corporatization of student affairs this book argues that understanding neoliberalism in student affairs is crucial to student success and the student experience the authors provide contextualized examples for understanding our positionality within the neoliberal system as well as practical recommendations on resisting market values as common sense thereby helping to preserve the profession and to imagine a new one centered on people equity and justice

take an in depth look at current trends opportunities and challenges for senior student affairs leaders this volume focuses on contexts for understanding student affairs leadership and experiences of contemporary student affairs leaders including issues of concern such as affordability and access student health and well being diversity and inclusion and regulations and compliance the volume concludes with a discussion of the similarities and differences in the data across the themes and questions and offers some propositions regarding the implications for current and

future student affairs leadership this is the 153rd volume of this jossey bass higher education quarterly series an indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals new directions for student services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual

this is a book for any student affairs professional who wants to strategically shape his or her career path and will be particularly helpful for people in early or mid career or contemplating a career in student affairs by engagingly offering us the fruits of the reflective and strategic approach she has used to shape her own career and of the theoretical and practical approaches she has undertaken to map out the culture and dynamics of student affairs and by gathering the voices of 25 professionals who offer the insights and advice derived from their own experiences sonja ardoyn has created a guide for everyone in student affairs who wants to be intentional in setting the course for their professional and personal development she begins by describing the changing and varied student populations who are the heart of this field and outlines the typical organizational structures of student affairs the range of functional areas and how practice varies by size and type of institution she highlights major trends discusses the typical paths of entry to the profession the expectations and realities of starting in a new position the process of socialization and the required skills and competencies she devotes the core of the book to the five key elements for developing a career strategy lifelong learning extending your experiences planning for professional development networking connecting and self reflection and provides advice on the job search from application through interview in doing so she ranges over choices to be made about formal qualifications and describes activities from volunteering and committee work to conference presentations writing and teaching that we can use to strategically develop the proficiencies to attain our goals

student affairs has changed greatly in the almost twenty years that the series editors have been managing new directions for student services this volume provides a look back at this period of time from 1997 through 2014 with topical chapters focused on trends in student affairs during the past two decades changes in students and the most effective student affairs responses progress and recommendations for assessment in student affairs and challenges with and skills needed for digital technologies finance and budgets and staff preparation the volume concludes with a look into the future of student affairs practice based in part on the lessons learned from looking at the recent past this is the 151st volume of this jossey bass higher education quarterly series an indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals new directions for student services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual

with the recognition of the integral role of student affairs in student education and with stakeholders requiring increasing accountability at a time of tight resources it has become imperative that staff be familiar with and competent in undertaking assessment this book provides student affairs staff with the grounding they need to integrate assessment into how they design and monitor the programs services and activities they create to contribute to students development this book is intended both as a text for student affairs and higher education master s programs and as a practical guide for early career staff who have had little formal preparation in assessment it can be used for self study or in professional development workshops for divisions departments or units getting started with assessment the discussion questions at the end of the chapters can engage staff in the process of developing an effective assessment culture this book provides a thorough introduction to all aspects of assessment assuming no prior knowledge and illustrated throughout with examples of application in student affairs settings key elements include takes into account the latest standards and competencies defined by aac u acpa aer cas naspa and others introductory and comprehensive provides essential background and theory covers preparation planning and design describes the full range of assessment methods introduces principles and methods of qualitative and quantitative analysis guidance on using and sharing results addresses cultivating and sustaining a culture of assessment considers ethical and political concerns covers use of technology illustrated throughout by examples of practice in student affairs

shifting paradigms is addressed to all student affairs professionals whose primary focus is student learning faculty members in preparation programs senior administrators and student development educators in residence halls student unions or career counseling offices will use the ideas presented in different ways nevertheless the book has a common purpose for all readers which is to assert the educational functions of student affairs and services and to situate student development education solidly within the mission of colleges and universities in the united states this goal is achieved through examination of some of the diversity issues which are troubling so many campuses today diversity is broadly construed to include differences related to race ethnicity sexual orientation gender and disability status as well as differences in perspective generated by professional roles and philosophy this book presents a new paradigm for the profession of student affairs and the practice of student development co published with american college personnel association

this book brings together sixteen student affairs experts to identify how student affairs professionals can shape and direct their field to meet the future challenges and needs of students society and higher education

the efforts of college and university student affairs professionals who aim to improve student life integrate new student groups and attract and retain students are becoming critical to institutions attempting to maintain enrollments of qualified students ensure academic achievement place graduates and develop supportive alumni changes in student affairs contexts and clienteles are evidenced in uneven success with students from underrepresented groups demographic shifts expanding use of information technologies increasing violence the burden of debt and new emphasis on accountability an expanded role for student affairs is demanded which would require creatively and collaboratively integrating the theory and practice of student affairs integrating the academic and student affairs communities and integrating campus and society challenges for the student affairs professional in this new role include developing vision streamlining the administrative decision making process developing comprehensive strategies and recommitting to student development the new role for student affairs calls for changes in the programs and services offered the professional skills employed by student affairs professionals and the content of the preparation and continuing development of professionals contains approximately 250 references jdd
