the confessions of saint augustine by s augustine worldwide literature classic among top 100 literary novels of all time a must read for everybody in the 1980s italo calvino the most translated contemporary italian writer at the time of his death said in his essay why read the classics that a classic is a book that has never finished saying what it has to say without any doubt this book can be considered a classic this book is also a bestseller because as steinberg defined a bestseller as a book for which demand within a short time of that book s initial publication vastly exceeds what is then considered to be big sales

written between 397 and 400 a d the confessions of saint augustine is thought to be the first autobiography in western civilization and is considered by many to be one of the most important religious works of all time while not a complete account of augustine s life for augustine wrote confessions in his early forties and would live well into his seventies it is one of the most complete first hand accounts of anyone s life from the fourth or fifth century in which the author outlines the sins of his youth and conversion to christianity the confessions tells of its author s upbringing in algeria his place at the imperial court of milan his struggle to overcome his sexual desires and the ultimate dedication of his life to christ and christian ways the confessions are not simply a recount of the author s life but a true exploration of what it is to be christian and the struggles that one must overcome in order to find christ and live a more pious life a pioneering work of autobiography the confessions remains one of the most important works of spiritual devotion ever written the confessions of saint augustine is considered the all time number one christian classic it is an extended poetic passionate intimate prayer augustine was probably forty three when he began this endeavor he had been a baptized catholic for ten years a priest for six and a bishop for only two his pre baptismal life raised questions in the community was his conversion genuine the first hearers were captivated as many millions have been over the following sixteen centuries his experience of god speaks to us across time with little need of transpositions this new translation by edward bouverie pusey masterfully captures his experience

in seventy six chapters he traces philosophy from the rise of greek civilization to the emergence of logical analysis in the twentieth century

this is a new release of the original 1923 edition

more than an autobiography the confessions of st augustine is one of the most influential religious books in the christian tradition a great work of western literature it recalls crucial events and episodes in the author s life in particular life with his devoutly christian mother and his origins in rural algeria in the mid fourth century a d the rise to a lavish life at the imperial court in milan his struggle with sexual desires eventual renunciation of secular ambitions and marriage and recovery of his catholic faith this intensely personal narrative among the first in which self analysis was used to describe spiritual and emotional experiences provides a detailed classic recounting of one man s internal struggles and religious conversion the book will be useful to anyone interested in the impact made by one of the foremost leaders in the development of christian thought in his confessions saint augustine reflects upon his life in the light of scripture and the presence of god he begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of god this work presents a wonderful contrast between the holy god who created all things and whom heaven and earth cannot contain and a

commonly sinful man who has joyfully received god's loving salvation and mercy many scholars consider saint augustine to be among the greatest and most influential fathers of the early church and as you read his confessions you will find the confident humility that is common among those whom jesus calls great in the kingdom of heaven augustine writes as a common man and so his words span time and tradition may his confessions guide you to the one whom he confesses

augustine's confessions is one of the most influential and most innovative works of latin literature written in the author's early forties in the last years of the fourth century and during his first years as a bishop they reflect on his life and on the activity of remembering and interpreting a life books i-iv are concerned with infancy and learning to talk schooldays sexual desire and adolescent rebellion intense friendships and intellectual exploration augustine evolves and analyses his past with all the resources of the reading which shaped his mind virgil and cicero neoplatonism and the bible this volume which aims to be usable by students who are new to augustine alerts readers to the verbal echoes and allusions of augustine's brilliant and varied latin and explains his theological and philosophical questioning of what god is and what it is to be human

confessions is the name of an autobiographical work consisting of 13 books by saint augustine of hippo the work outlines saint augustine's sinful youth and his conversion to christianity

along with his confessions the city of god is undoubtedly st augustine's most influential work in the context of what begins as a lengthy critique of classic roman religion and a defense of christianity augustine touches upon numerous topics including the role of grace the original state of humanity the possibility of waging a just war the ideal form of government and the nature of heaven and hell but his major concern is the difference between the city of god and the city of man one built on love of god the other on love of self one cannot but be moved and impressed by the author's breadth of interest and penetrating intelligence for all those who are interested in the greatest classics of christian antiquity the city of god is indispensable this long awaited translation by william babcock is published in two volumes with an introduction and annotation that make augustine's monumental work approachable books 11-22 offer augustine's christian view of history including the christian view of human destiny the index for books 1-22 both volumes of the city of god is contained in this edition

the main concern of this book is with those aspects of augustine's thought which help to answer questions about the purpose of human society
