despite hundreds of millions of visitors each year zoos have remained outside of the realm of philosophical analysis this lack of theoretical examination is interesting considering the paradoxical position within which a zoo is situated being a space of animal confinement as well as a site that provides valuable tools for species conservation public education and entertainment why do we go to the zoo argues that the zoo is a legitimate space of academic inquiry the modes of communication taking place at the zoo that keep drawing us back time and time again beg for a careful investigation in this book the meaning of the zoo as communicative space is explored this book relies on the phenomenological method from edmund husserl and a rhetorical approach to examine the interaction between people and animals in the zoo space phenomenology the philosophy of examining the engaged everyday lived experience is a natural method to use in the project despite its rich history and tradition it is interesting that there are very few books explaining how to do phenomenology why do we go to the zoo provides a detailed account of how to actually conduct a phenomenological analysis the author spent thousands of hours in zoos watching people and animals interact as well as talking with people both formally and informally this book asks readers to bracket their preconceptions of what goes on in the zoo and instead to explore the meaning of powerful zoo experiences while reminding us of the troubled history of zoos

a selection from the great children s literature of all time

the volume offered by the barye monument association to those interested in the fund

for a monumnet to antoine louis barye at paris is the memorial of a very uncommon event the united states has no sentimental feeling with regard to france as the fatherland like that which a large number of american cherish toward great britain and ireland bonds of amity were knit in the past and others have been formed since france became a republic but the difference of tongue more than offsets these therefore great merit must exist in the artist whose work exercises enough fascination to set americans on the task of gathering funds for a monument that is to stand three thousand miles away across the ocean it is often said that art has no country but when before this has a foreign land raised a monument to a sculptor of modern times preface note
