second expanded edition deep clearing builds on the age old model of head heart and hand we have a mental side an emotional side and a body and action side a basic principle in deep is that emotional charge stress and trauma persists when there is a conflict between diverging forces and views that a collision can result in emotional charge is of course well known that the same collision in session can be re experienced from own point of view as well as from the opponent s is new the client in a deep session will be enabled to see the collision in detail from both sides you are enabled to see the three elements of thought emotion and body on each side and thus fully dissolve the original resistive recordings the scars from the painful experiences disappear the book is a step by step manual in putting these theories to the test deep clearing contains all the instructions needed to perform a deep clearing session

in the decades i ve known gretchen i have watched her grow and excel as a mother a civic and business leader and an influencer in the construction industry we are so fortunate that gretchen carved out the time to write this seminal book on women s leadership and i am confident that all will benefit from the knowledge she shares gretchen is a remarkable leader and role model who cares deeply for the construction industry and her passion for helping women thrive helps us build a more inclusive industry mary k rhinehart chair johns manville corporation practical leadership guidance inspiring stories and actionable strategies for women and their male allies to elevate their careers in construction building women leaders a blueprint for women thriving in construction is a guide to becoming a successful female leader in the construction engineering mining and energy industries featuring real world case studies inspiring stories of successful women leaders and actionable strategies this book serves as a catalyst for transformation enabling organizations to harness the untapped potential of their female talent and drive innovation and growth leveraging the author s 40 year industry career as a construction industry executive female trailblazer and advocate for women empowerment in the workplace building women leaders includes information on techniques for navigating a male dominated industry including understanding dominant

culture and unconscious bias the qualities of successful leaders in these industries including what it means to lead versus manage and how grounded self leadership is critical to authenticity guidelines for building strong relationships and leading a diverse team with confidence courage and humility ways to handle difficult conversations and conflicts and the role of trust and vulnerability in these situations how to build support via professional organizations networking groups and training and development opportunities for women leaders building women leaders is a timely essential up to date resource on the subject for leaders of all genders and at all levels and occupations in the engineering construction mining and energy industries looking to harness the power of women in the workforce

thriving as a professional teacher explores the tensions and balance between developing the classroom you know will be best for the children you teach and facing external pressures such as ofsted performance management teacher standards and the need to prepare children for sats and other tests the book locates the professional in the political context before outlining the key challenges faced and experienced and laying the foundations necessary for the professional to thrive an expert team of contributors analyses the differences between professionalism and professionalisation and emphasises the importance of promoting a collaborative sharing culture to give you the knowledge needed to challenge and contest competing agendas topics covered include understanding the impact of policy upon teachers and the teaching profession developing a professional identity as a teacher building resilience and a sense of wellbeing as a teacher building and sustaining creativity in the curriculum safeguarding young people examining the impact of globalisation on educational practices with case studies opportunities for reflection and clear chapter summaries woven throughout thriving as a professional teacher will help you to form a sustainable identity and to create a teaching and learning environment in which both teachers and students can thrive it is an essential read for both trainee and practising teachers
