vivid and picturesque description of korea in the dawn of the 20th century written by rev jacob robert moose 1864 1928 an american missionary who came to korea in 1889 to serve the korean mission fields for 25 years readers will be amused by the vitality of korea depicted with love and affection a century ago village life in korea while one may find no less than a

handful of books about korea written in the turn of the century village life in korea written by rev moose uniquely stands out for its empathetic storytelling of the commoners life in korean villages drawn on the author s firsthand experience acquired among the people of korea in the villages far removed from the outer world the book tells a story on korea and its people in such a way that the author shares it with a company composed of men women and children who are anxious to learn more about the untold stories of the nation which had been often referred to as the hermit kingdom until the late 19th century after an insightful introduction to korea in the opening chapters geographical sketch resources historical sketch the capital the book begins to unroll its story on the village life the village the village family the village inn the book then moves on to tell stories on the village people so vividly that while reading the next chapters one may feel as if they were visiting the village back in time the village boy the village gentleman the village girl the village woman the village school the village farmer the village mechanic the village merchant the village doctor the village marriage the village funeral the village lawsuit the last chapters of the book are dedicated to religion and most of all to the evangelization of korea the cause to which the whole life of rev moose was devoted the village religion the village church some members of the village church what christianity is doing for the village one may learn from the following excerpts from the final part of the book that rev moose s belief in the evangelical enlightenment of korea could be best attested by the miraculous development of korea in the later part of the century the key to the future of korea may be found in the power which christianity is now instilling into the lives of the village people let the villages in korea become completely christianized and the future of a happy and prosperous people will be assured regardless of who may hold the reins of power in the political realm virtuo digital edition the virtuo digital edition by virtuosi brings the all time classics of the past back to life with carefully revised contents and formats tailored for today s readers

monograph on the social and cultural anthropology of a rural area village in korea r where both farming and deep sea fishing are practised analyses the economy social structure ideology etc bibliography pp 241 to 244 graph illustrations maps and statistical tables

excerpt from village life in korea ten years in korea much of which time has been spent among the people in the villages far removed from the outer world have proved to be so intensely interesting to me that i am persuaded many other people would be pleased to see korea and her people as i have seen them with this thought in mind these pages have been written and with the hope that all who read will be brought into a clearer knowledge of and a deeper sympathy with this people who have been so often misrepresented and whom i have learned to love so well i have avoided everything in the form of bookish or literary style and tried to imagine myself telling my story to a company composed of men women and children who are anxious to learn more of a strange people in a far away land about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

fifty years after the korean conflict what is a forgotten war for some americans is an aching memory for china with over a million casualties out of the three million soldiers sent into battle that war looms as large for the people's republic of china prc barely a year old when north korea invaded the south as world war ii does for most other countries it was the first international war fought by the chinese communist regime to halt counterrevolution it was also a war that the chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers superior political quality this book presents a mosaic of memoirs by key chinese military commanders from that war drawing not only on their personal papers but also on still classified archives and on chinese language sources unavailable in english it offers an uncensored behind the scenes story of the communist campaign from the decision to intervene through the truce negotiations that discloses new information on such facets of the war as strategy and tactics use of propaganda and mobilization of the chinese population it also reveals the generals concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the united states the book contains a wealth of new materials on the chinese intervention including combat

operations logistics political control field command and communications among those whose recollections are recorded then acting chief of staff nie rongzhen reveals how party leadership decided on intervention commander in chief peng dehuai provides personal accounts of major battles and communications with mao and general yang dezhi shares secrets of chinese military strategy and tactics discussing how the army orchestrated each battle to contend with the better equipped un forces the volume also features an updated short history of the prc s conduct of the war based on chinese sources plus rare photos from chinese archives that put readers behind the lines from the chinese side mao s generals remember korea demonstrates that the prc continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world s most powerful military force it offers valuable insight into the chinese way of war and the military mind of mao that will be a rich resource for asian and military scholars
