the weary old nineteenth century had advanced into the last twenty years of its life towards two o'clock in the afternoon Ovid Vere of the Royal College of Surgeons stood at the window of his consulting room in London looking out at the summer sunshine and the quiet dusty street he had received a warning familiar to the busy men of our time the warning from overwrought nature which counsels rest after excessive work with a prosperous career before him he had been compelled at only thirty-one years of age to ask a colleague to take charge of his practice and to give the brain which he had cruelly wearied a rest of some months to come on the next day he had arranged to embark for the Mediterranean in a friend's yacht an active man devoted heart and soul to his profession is not a man who can learn the happy knack of being idle at a moment's notice Ovid found the mere act of looking out of window and

wondering what he should do next more than he had patience to endure he turned to his study table if he had possessed a wife to look after him he would have been reminded that he and his study table had nothing in common under present circumstances being deprived of conjugal superintendence he broke through his own rules his restless hand unlocked a drawer and took out a manuscript work on medicine of his own writing surely he thought i may finish a chapter before i go to sea to morrow

these stories provide the reader with new perspectives and insights of biblical texts and the theological interpretations of life itself each story offers the opportunity to move from the literal reading of scripture and into the riches and mystery of biblical texts and everyday living

alice was a raven haired beauty who fell in love with easygoing james they dated for about eight years during which time they were monogamous sexually intimate and eventually lived together they finally married in an elegant weekend celebration only to divorce before their second anniversary what happened how indeed can a couple date for so long act married in most ways and make such a terrible mistake what alice and james did not know was their hearts married long before their wedding day and that in fact was the problem they are just one of many couples that you will meet in my heart got married and i didn't know it this nonfiction self help book introduces and names the concept of heart marriage as a relationship in which a couple becomes intimately bound in a profound way yet they have not clearly or intentionally articulated the desire or commitment to be married with today's relationship trends this occurs often and as a result couples are short circuiting the natural developmental process of getting to know each other in a way that is critical in deciding whether the relationship is right for the long term commitment of marriage because heart marriage occurs silently and unannounced it is a perilous path that can lead to much unhappiness my heart got married and i didn't know it will help couples recognize if they are heart married discern whether ending the relationship through a heart divorce is warranted identify strategies to prevent heart marriage from occurring and outline steps to transition from a heart marriage into a fulfilling committed and legal marriage

in the second chapter i present data showing that the precardiac mesoderm migration defect seen in mil mutant zebrafish embryos is due to a defect in the morphogenesis of the anterior endoderm a tissue known to be required for migration of the precardiac mesoderm in zebrafish furthermore i show that these endodermal defects cause craniofacial development defects in mil mutants
