land law reform in east africa reviews development and changes in the statutory land laws of 7 countries in eastern africa over the period 1961 2011 the book is divided into two parts part 1 sets up the conceptual framework for consideration of the reforms and pursues a contrast between transformational and traditional developments where the former aim at change designed to ensure social justice in land laws and the latter aim to continue the overall thrust of colonial approaches to land laws and land administration part 2 provides an in depth and critical survey of the land law reforms introduced into each country during the era of land law reform which commenced around 1990 the overall effect of the reforms has patrick mcauslan argues been traditional it was colonial policy to move towards land markets individualisation of land tenure and the demise of customary tenure all of which characterise the post 1990 reforms the culmination of over 50 years of working in this area land law reform in east africa will be invaluable reading for scholars of land law and of law and development more generally

the essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality it is prompted by the belief that although the christian tradition has always nurtured an emphasis on spirituality rooted in the bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice the essays therefore attempt from within the context of the academy responsible readings of scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature the essays began as papers produced for an international symposium on the bible and spirituality in may 2012 hosted by the centre for the study of the bible and spirituality in the school of humanities at the university of gloucestershire

islamic post traditionalism in indonesia offers a unique assessment of the development of the phenomenon of islamic post traditionalism using nahdlatul

ulama nu the largest mass islamic organization in indonesia and the world as a case study post traditionalism is a term now widely used to describe the often controversial attempts by progressive reformers to reify and legitimize modern intellectual notions often from non islamic sources by using reference to terminology and ideas drawn from islamic tradition this book discusses the discourse of post traditionalist thought within islamic thought more widely before turning to examine the emergence of new currents of progressive thought within nu in indonesia and the factors that influence that in particular the book explores the sometimes fiery struggle between liberal and conservative thought in nu and the position of post traditionalist thought in the wider development of intellectualism in indonesia it covers in detail new religious discourses that are being developed and offers important insights into the implications and future for post traditionalist thought among muslims the highly influential indonesian version of this book was originally published as post traditionalisme islam wacana intelektualisme dalam komunitas nu by the fahmina institute indonesia 2008

pirke de rabbi eliezer represents a late development in midrash or classical rabbinic interpretation that has enlightened intrigued and frustrated scholars of jewish culture for the past two centuries pirke de rabbi eliezer s challenge to scholarship includes such issues as the work s authorship and authenticity an asymmetrical literary structure as well as its ambiguous relationship with a variety of rabbinic islamic and hellenistic works of interpretation this cluster of issues has contributed to the confusion about the work s structure origins and identity midrash and multiplicity addresses the problems raised by this equivocal work and uses pirke de rabbi eliezer in order to assess the nature of midrash and the renewal of jewish interpretive culture during its transition to the medieval era of the early geonim
