over the decades we have heard a great deal about shaka the famous or infamous of zulu leaders it may come as a surprise therefore that we do not know when he was born nor what he looked like nor precisely when or why he was assassinated this book lays out the available evidence mainly hitherto under utilised zulu oral testimonies

since his assassination in 1828 king shaka zulu founder of the powerful zulu kingdom and leader of the army that nearly toppled british colonial rule in south africa has made his empire in popular imaginations throughout africa and the west shaka is today the hero of zulu nationalism the centerpiece of inkatha ideology a demon of apartheid the namesake of a south african theme park even the subject of a major tv film terrific majesty explores the reasons for the potency of shaka's image examining the ways it has changed over time from colonial legend through africanist idealization to modern cultural icon this study suggests that tradition cannot be freely invented either by european observers who recorded it or by

subsequent african ideologues there are particular historical limits and constraints that operate on the activities of invention and imagination and give the various images of shaka their power these insights are illustrated with subtlety and authority in a series of highly original analyses terrific majesty is an exceptional work whose special contribution lies in the methodological lessons it delivers above all its sophisticated rehabilitation of colonial sources for the precolonial period through the demonstration that colonial texts were critically shaped by indigenous african discourse with its sensitivity to recent critical studies the book will also have a wider resonance in the fields of history anthropology cultural studies and post colonial literature

in this riveting new book john laband pre eminent historian of the zulu kingdom tackles some of the questions that swirl around the assassination in 1828 of king shaka the celebrated founder of the zulu kingdom and war leader of legendary brilliance why did prominent members of the royal house conspire to kill him just how significant a part did the white hunter traders settled at port natal play in their royal patron s downfall why were shaka s relations with the british cape colony key to his survival and why did the powerful army he had created acquiesce so tamely in the usurpation of the throne by dingane his half brother and assassin in his search for answers laband turns to the zulu voice heard through recorded oral testimony and praise poems and to the written accounts and reminiscences of the port natal trader hunters and the despatches of cape officials in the course of probing and assessing this evidence the author vividly brings the early zulu kingdom and its inhabitants to life he throws light on this elusive character of and his own unpredictable intentions while illuminating the fears and ambitions of those attempting to prosper and survive in his hazardous kingdom a kingdom that nevertheless endured in all its essential characteristics particularly militarily until its destruction fifty one years later in 1879 by the british and whose fate legend has it shaka predicted with his dying breath

volume ii documents and analyses genocide and extermination throughout the early modern and modern eras it tracks their global expansion as european and asian imperialisms and euroamerican settler colonialism spread across the globe before the great war forging new frontiers and impacting indigenous communities in europe asia north america africa and australia twenty five historians with expertise on specific regions explore examples on five continents providing comparisons of nine cases of conventional imperialism with nineteen of settler colonialism and offering a substantial basis for assessing the various factors leading to genocide this volume also considers cases where genocide did not occur permitting a global consideration of the role of imperialism and settler indigenous relations from the sixteenth to the early twentieth centuries it ends with six pre 1918 cases from australia china the middle east africa and europe that can be seen as premonitions of the major twentieth century genocides in europe and asia

john laband tackles the questions that swirl about the assassination in 1828 of king shaka the celebrated founder of the zulu kingdom what was it about the nature of his kingdom that it produced so many intransigent opponents to his rule including prominent members of the royal house why were shaka s relations with the british cape colony apparently key to his survival and why did the powerful army he had created acquiesce so tamely in the usurpation of the throne by dingane his half brother and assassin back cover

although chaka is considered an african literary masterpiece thomas mofolo has paradoxically been dismissed by critics as an author naively extolling the virtues of the white man s civilizing mission in africa

daniel m mengara s colonial discourse and the jesus fication of king chaka how thomas mofolo s chaka turned the zulu monarch into a messiah offers a rereading of chaka to show that mofolo in fact astutely deconstructs and then reconstructs zulu king chaka into a messianic figure whose life trajectory and destiny blasphemously mirror those of jesus christ this volume avoids the pitfalls of the traditional mission interpretations of chaka and provides an interpretative inflection that paints a more nuanced and balanced picture and understanding of thomas mofolo s fictional account of the mythologized historical figure mengara delves into the circumstances and controversies surrounding the publication of the novel and shows how mofolo jesus fied king chaka in a sly yet sacrilegious ploy to subvert the colonial discourse and missionary ethos of his time this book stands as a reassessment of thomas mofolo s often ignored nationalism and calls for a rediscovery of mofolo s work in ways that resituate him within the history of the african novel as the undisputed pioneer of engaged african literature
