this is my second novel
love at calcutta consulate was published in 2003 by authorhouse
and is still selling
the theme of this novel
sam and dora is no sex before marriage
sam a hardworking talented immigrant finished his phd in science from northwestern university
evanston illinois however the job market being bad he was forced to take a tech school teaching job at los angeles waiting transition to a job in his specialty area
dora with a masters degree in chemistry from ucla was also teaching there because of bad job market
they met at school as colleagues and befriended each other
doras conservative parents

did not approve of her intimacy with sam for a while dora struggled with her parents ultimately her parents agreed sam and dora got married with her parents blessings in the meantime sam got an excellent job at nasa in hampton virginia they moved together to hampton and lived happily ever after

in the second edition of this influential book leading scholars kathleen manning jillian kinzie and john h schuh advocate an original approach by presenting 11 models of student affairs practice including both traditional and innovative programs based on a qualitative multi institutional research project one size does not fit all explores a variety of policies practices and programs that contribute to increased student engagement success and learning this book is a must read for all higher education administrators and student affairs professionals new to this revised edition refinement of models in light of recent nsse data and current developments in higher education including budget cuts and the economic crisis updated information throughout about model assessment and techniques to renew divisions of student affairs a deeper analysis of how models of student affairs practice relate to institutional mission and purposes end of chapter discussion questions to guide thinking about ways to incorporate models in one s own context an entirely new part iv including chapters on catalysts and tools for change and redesigning your student affairs division

as a ziegfeld follies girl and film actress justine johnstone 1895 1982 was celebrated as the most beautiful woman in the world her career took an unexpected turn when she abruptly retired from acting at 31 for the remainder of her life she dedicated herself to medical research and social activism as a cutting edge pathologist she contributed to the pre penicillin treatment of syphilis at columbia university participated in the development of early cancer treatments at caltech and assisted los angeles physicians in oncology research as a divorced woman in the 1940s she adopted and raised two children on her own she later helped find work for blacklisted hollywood screenwriters and became a prominent participant in social and political causes the first full length biography of johnstone chronicles her extraordinary success in two male dominated fields show business and medical science and follows her remarkable journey into a fascinating and fulfilling life
