markham has achieved a startlingly vivid and coherent picture of napoleon s career of the social and intellectual influences that molded it and of the men and forces that opposed it the military events the political movements the personal intrigues all appear each in its proper place and perspective los angeles times this magnificent reconstruction of napoleon s life and legend written by a distinguished oxford scholar is based on intimate documents including the personal letters of marie louise and the decoded diaries of grand marshal bertrand who accompanied napoleon to his final exile on st helena it has been hailed as the most important single volume work in napoleonic literature

this is a comprehensive critical review of social theory that places leading contributions in their larger context written predominantly for students the scope and range of the subjects and authors dealt with results in one of the most comprehensive introductions to social theory published to date ranging from the philosophical foundations of sociology and the discovery of the social to distinctive sociological approaches to the significance of issues pertaining to gender and patriarchy to questions of modernity and post modernity the book is comprehensive in subject matter

includes entries for maps and atlases

the church needs effective leaders we must be more missional better organization is required such sentiments are commonplace among christians concerned with the health and sustainability of their local church as well as the church universal over the past thirty years the desire for more efficiently run effectively led and organizationally sound churches has contributed to an approach to thinking about the church in terms uncritically assumed from the business and management sector this has given rise to treating the church as if it were just another social body in need of better organization the question is what happens when we apply the logic of management techniques to an organization that identifies as the body of christ drawing on organizational theory theological anthropology and sacramental theology this book navigates a path for christians that avoids reducing the church to just

another organization while providing a vision for the church as the social body where all are invited to connect and be made members of christ and each other such a vision provides an alternative to the social categorization that would define the church by its organizational character rather than its eschatological destiny

an outline of the core principles and strategies required to restore the credibility of the global finance industry since 2008 the global financial industry has lurched from crisis to crisis calamity to calamity resulting in an epic loss of public trust in banking and financial institutions rebuilding trust in banks argues that this series of disasters have usually been the result failures of leadership and governance combined with unenforced systems of checks and balances often leaders lose their way believing their own hype and buying into their own propaganda the more successful these leaders are initially the greater their self confidence grows along with the certainty that they're right the result is a dangerous hubris with no countervailing power to stop or change reckless unethical or self interested strategies this book offers a solution with useful benchmarks for corporate governance and a global perspective features effective best practices for ensuring good corporate governance and responsible leadership in banking and finance written by a renowned expert in corporate governance with more than 40 years of experience particularly in asia intended for corporate leaders and board members in financial companies as well as regulators advisors and students if banks and other financial institutions truly want to rebuild the trust they once enjoyed this practical and prescriptive guide offers effective best practices that can and should be widely implemented throughout the industry

the first volume of isaiah berlin's letters

there have been several biographies of george eliot but this is the first study to focus on her intellectual development the book provides an analysis of the biographical and intellectual factors which encouraged george eliot to decide upon fiction as her chosen mode of expression and demonstrates how that decision was influenced by and an echoing of j.s. mill's and carlyle's critiques of philosophy

here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in dewey sequence with sections for adult and juvenile fiction author and title indexes are included and a subject guide correlates primary subjects with dewey and lc classification numbers these cumulative records are available in three separate sets
