narcotics anonymous step working guides are meant to be used by na members at any stage of recovery whether it s the first time through the steps or whether they have been a guiding

force for many years this book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the twelve steps

beneath the well known twelve steps of Alcoholics Anonymous are concealed the universal principles of spiritual practice as they are expressed in traditional religions and wisdom traditions including Buddhism, Christianity, cosmology, Hinduism, Islam, Judaism, Native American spirituality, and Taoism. This wisdom expressed itself in a 20th century movement known as AA. The purpose of this book is to ensure that seekers from all faith traditions have an opportunity to realize and appreciate the universality of transformative spiritual practices. We humans share common ground today despite cultural and superficial differences in twelve wisdom steps unifying principles of the 12 steps of AA found in the wisdom traditions. Rev. Dr. Andrea emphasizes that amid all the seemingly unique and distinct religious expressions and forms there is an underlying binding truth which is shared that promotes a universal experience. This perceptive engaging work challenges us to set our own traditional and cultural lenses aside and open ourselves to merging what we know with a new understanding of shared principles at a time in our world when we are seeking to better understand each other and find common ground on which to relate.

This book provides clinicians and students with insights on the use of psychodynamic therapy to treat drug abuse and addiction, combining theory with clinical case material. The perspectives of analysts such as Abraham Rado, Sigmund Freud, Erich Fromm, Sigmund Freud, Sigmund Freud, and Sigmund Freud are reviewed alongside original and more recent conceptualizations of drug addiction and recovery based on Kleinian, Winnicottian, and Kohutian ideas. The case material deals with clinical phenomena that characterize working with this complex population such as intense projective identification, countertransference, difficulties, and relapses. The theoretical analysis covers a range of concepts such as John Steiner's psychic shelters and Betty Joseph's near death addiction, which are yet to be fully explored in the context of addiction. Prevalent topics in the addiction field such as the reward system, the cycle of change, and the 12 step program are also discussed in relation to psychodynamic theory and practice. Written by an experienced therapist, psychodynamic approaches for treatment of drug abuse and addiction is useful reading for anyone looking to understand how psychodynamic thought is applicable in the treatment of drug abuse and addiction. It may also be of some relevance to those working on treating alcohol use disorders and behavioral addictions.

A thoughtful exploration of various spiritual disciplines offering guidance to those in recovery who wish to enrich their lives.

Recovery from prescription painkiller or heroin addiction can feel impossible with low numbers of people sustaining recovery, but there is hope with guidance from those in long term recovery along with new approaches to treatment. A healthy drug free life is possible. Recovery from prescription painkiller or heroin addiction can feel impossible, especially considering that those who have gone through typical twenty-eight day treatment programs

often experience relapses and sometimes even fatal overdoses but there is hope in painkillers heroin and the road to sanity recovering addict and prominent interventionist joani gammill offers a radically effective approach for those struggling with opiate addiction sharing sometimes controversial tips that have worked for others who are in long term recovery gammill examines the science behind the low numbers of people sustaining recovery from the disease of opiate addiction tapping the pioneering work of treatment professionals whose new approaches are changing the way we think about opiate addiction she offers practical steps for creating a realistic and effective recovery plan gammill affirms that recovery from opiate addiction is a process not an event this honest and trustworthy guide reveals that although it may not happen in one detox or treatment experience a healthy drug free life is possible

narcotics anonymous step working guides are meant to be used by na members at any stage of recovery whether it s the first time through the steps or whether they have been a guiding force for many years this book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the twelve steps

this series is designed for people christian and non christian who feel some deep and persistent pain and discomfort rather than only for those who are purely seeking a deeper knowledge of god
