shakespeare performance and the archive is a ground breaking and movingly written exploration of what remains when actors evacuate the space and time of performance an analysis of leftovers it moves between tracking the

politics of what is consciously archived and the politics of visible and invisible theatrical labour to trace the persistence of performance in this fascinating volume hodgdon considers how documents material objects sketches drawings and photographs explore scenarios of action and behaviour and embodied practices rather than viewing these leftovers as indexical signs of a theatrical past hodgdon argues that the work they do is neither strictly archival nor documentary but performative that is they serve as sites of re performance shakespeare performance and the archive creates a deeply materialized historiography of performance and attempts to make that history do something entirely new barbara hodgdon is professor of english at the university of michigan now retired her major interest is in theatrical performances especially performed shakespeare she is the author of the end crowns all the shakespeare trade and most recently the arden edition of the taming of the shrew

this book explores successful transition strategies to within and from university for students from around the globe with macquarie university a large australian university studied in depth it addresses the meaning of success taking a variety of perspectives including student staff and employer views the chapters present a series of initiatives that have proven to be successful in assisting students in developing their academic potential throughout university and beyond the authors of the chapters use a variety of methodologies and approaches reflecting the diverse local contexts and requirements these international perspectives demonstrate a triumph of practice that has led to the empowerment of individuals and groups the approaches from twelve universities located in eight different countries stem directly from the coalface and provide many valuable lessons and tools that colleagues in the sector will be able to consider and adapt in their own contexts small interventions matter from a mentor of a nervous student who goes on to achieve greatness to the use of a curriculum design model that hooks a whole group of students into learning and achievement this book covers both the small individual victories and the larger scale strategies that support success contributions emanate from australia bangladesh india china new zealand united kingdom canada usa uruguay and south africa
