this account of how serial killers impact society is a compelling examination of the media phenomenon of the celebrity criminal in american culture joyce carol oates jeffrey dahmer ted bundy john wayne gacy serial killers have become iconic figures in america the subject of made for tv movies and mass market paperbacks alike but why do we find such luridly transgressive and horrific individuals so fascinating what compels us to look more closely at these figures when we really want to look away natural born celebrities considers how serial killers have become lionized in american culture and explores the consequences of their fame david schmid provides a historical account of how serial killers became famous and how that fame has been used in popular media and the corridors of the fbi alike ranging from h h holmes whose killing spree during the 1893 chicago world s fair inspired the devil in the white city right up to aileen wuornos the lesbian prostitute whose vicious murder of seven men would serve as the basis for the hit film monster schmid unveils a new understanding of serial killers by emphasizing both the social dimensions of their crimes and their susceptibility to multiple interpretations and uses he also explores why serial killers have become endemic in popular culture from their depiction in film and tv to their becoming the stuff of trading cards

and even sites where you can buy their hair and nail clippings persuasively argued meticulously researched it is highly readable as well joyce carol oates

covering literature visual media and popular culture this book explores how the gothic is consistently used to disrupt the narrative of immortality that modern celebrity culture has created and how together they expose society's responses to ageing and death

from reality television to celebrity gossip magazines today's technologies have enabled a vast number of personal narratives that document our existence and that of others multiple academic disciplines now define the self as fluid and entirely changeable little more than a performance that is chosen according to the situation while news journalists still pursue the authentic narrative advertising and politics might be accused of exploiting the narrative tendency and across media the personal and public become increasingly merged real lives celebrity stories collects research from published and experienced professionals practitioners and scholars who discuss narratives of real people across cultures and history and in multiple media it uses narrative theory to interrogate the processes by which we create promote and consume these stories of real people and the ways in which we construct our own stories of self by bringing together different disciplines it offers a theory of the production's of self in public spaces such as television cinema comics fan cultures music news media politics and cyberspace

popular culture has reimagined death as entertainment and monsters as heroes reflecting a profound contempt for the human race

covering a broad chronology from the colonial era to the present this volume's 28 chapters reflect the diverse approaches interests and findings of an international group of new and established scholars working on american crime histories today the book is organized around major themes in crime history including violence science and technology culture gender and organized crime and it addresses pressing contemporary concerns such as mass incarceration and the racial politics of crime in modern america it also engages with the history of crime literature film and popular culture from colonial execution sermons to true crime television in the twenty first century the volume is alert to continuities and diversity over time and place in the history of american crime notably in chapters on the south the west and the impact of urbanization on practices and ideas about crime and law enforcement in different periods of the american past the routledge history of crime in america is an indispensable interdisciplinary resource for students and researchers working in areas of crime crime policy punishment policing and incarceration

during the 1950s and 1960s true detective magazine developed a new way of narrating and understanding murder it was more sensitive to context gave more psychologically sophisticated accounts and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before this turned out to be the start of a revolution and after a century of escalating accounts we have now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers the rise of true crime examines the various genres of true crime using the most popular and well known examples and despite its examination of

some of the potentially negative effects of the genre it is written for people who read and enjoy true crime and wish to learn more about it with skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s books documentaries and fiction films in the true crime genre tried to make sense of the charles manson crimes and the gary gilmore execution events and in the 1980s and 1990s true crime taught pop culture consumers about forensics profiling and highly technical aspects of criminology we have thus now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality and through the perpetuation of the stranger danger idea the true crime aesthetic has both responded to and fostered our culture s fears true crime is also the site of a dramatic confrontation with the concept of evil and one of the few places in american public discourse where moral terms are used without any irony and notions and definitions of evil are presented without ambiguity when seen within its historical context true crime emerges as a vibrant and meaningful strand of popular culture one that is unfortunately devalued as lurid and meaningless pulp

this book is about relating the concepts of rape and murder in both senses of the term that is the way rape and murder are linked and related and also how stories of rape and murder are related or told

in the 21st century celebrities and celebrity culture thrives this book tackles the much noted but little analyzed relationship between celebrity and crime criminals who become celebrities and celebrities who become criminals are examined in relation to adorno and horkheimer s culture industry

offers an authoritative overview of american fiction from 1900 1950 focusing on the literature that developed out of the social cultural and political changes which occurred in the first part of 20th century this title examines the period s formative events such as the depression and the two world wars and their representation in literature

now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work
