if you re hesitant to pull the trigger when things obviously aren t working out
henry cloud s necessary endings may be the most important book you read all
year dave ramsey new york times bestselling author of the total money makeover

cloud is a wise experienced and compassionate guide through life's turbulent passages bob buford bestselling author of halftime and finishing well founder of the leadership network henry cloud the bestselling author of integrity and the one life solution offers this mindset altering method for proactively correcting the bad and the broken in our businesses and our lives cloud challenges readers to achieve the personal and professional growth they both desire and deserve and gives crucial insight on how to make those tough decisions that are standing in the way of a more successful business and ultimately a better life

are you stuck in a broken relationship we've all been stuck stuck in traffic stuck in the mud stuck in the middle but getting stuck in a broken relationship is one of the worst places to be stuck it leaves you hurt and confused not knowing what to do next if that's where you find yourself today then stuck may be the book to help you get unstuck a practical guide to broken relationshipsf remy diederich goes beyond anger management and provides his readers with practical spiritual insight into how to overcome anger he offers helpful analysis of the question what is anger and then carefully suggests approaches often step by step to help you navigate the process of letting go of your anger and getting your life back on track a bible based approach on how to forgivef remy diederich's writing is rich in biblical thought and counsel but not simplistic in its application or blind to the realities of human weakness issues of anger management grief boundaries and how to forgive are carefully looked at from a spiritual perspective he also includes a special section on how to forgive yourself a compassion realistic approach to reconciliation while encouraging reconciliation the author is also aware that reconciliation is not always possible and offers alternatives because of stuck's helpful how to nature you will want to highlight key thoughts and return to them again and again what will you learn from stuck the answer to the question what is anger seven reasons why those closest to you often tick you off how to take control of your anger and let it work for you seven reasons you stay stuck in broken relationships why grieving is so important after you lose a relationship a practical guide on how to forgive others how to help others forgive you and

achieve reconciliation how to forgive yourself how to move on from your past and reclaim your life if you are stuck in a broken relationship do yourself a favor and read this book it could be just the thing you need to help you get unstuck and move on with your life still not sure go back to the top of this page and check out the look inside the book feature to take a glance at how this book can help you mend and move on from broken relationships

rich and real bmom is one woman s mosaic of love life and loss and of being found among the pieces no one piece is a whole yet all are precious together a masterpiece and each a gem it s god restoring the shattered pieces of my life and my soul his fingerprints are all over it the reader will laugh and the reader will cry and in that we will become friends bmom begins with my relinquishing my infant son into the hands of parents i couldnt know it moves through the intervening years until he found me on to our reunion and beyond not only was i reunited with my son i was reunited with myself interspersed are various interludes that speak of lessons learned feelings finally understood and felt and poetry written as part of my journey bmom is entertaining and engaging while occasionally making a point to be taken or not as the reader chooses bmom is above all else a good read

are you running on empty god does not want you to live that way and he has made every provision for you to be replenished physically emotionally relationally and spiritually refuel helps you to identify and protect yourself against draining influences in your life and discover the means that god has provided for the restoring of your soul get your tank filled so that you will be more fulfilled and effective in your life mission don t go another day on empty

for anyone struggling to find the balance between a career of success and the life of faith god has called them to the code of contentment provides the playbook author paul tenhaken pulls from his decades of experience as an entrepreneur elected official and community leader to help readers navigate the continual

struggle between earthly success and eternal significance using real world experiences combined with consistent weekly workbook assignments the code of contentment provides 52 devotionals to create a year long rhythm of self reflection for the reader developing habits of gratitude relationship building physical health and consistent time with god a perfect book for those who are early in their career and wanting guidance on god s plan for their life

are you feeling adrift as you face transitions in a new season of life it s time to start dreaming again have you made personal sacrifices to pursue something a career a relationship or a quality family life and now it has changed gone away or just doesn t feel as rewarding anymore if so you may be looking for a new source of energy significance and joy in the next season shayne moore a former client of the halftime institute and carolyn castleberry hux a coach with halftime which was founded by the author of the bestselling book halftime moving from success to significance know from experience what it means and how difficult it can be to navigate this territory in women at halftime shayne and carolyn offer you the building blocks for getting unstuck and finding renewed joy and purpose shayne and carolyn set out to ask you key questions like whose voice in your head still silences your voice and your dreams and what can you do about it how can you evaluate the activities people and places in which you invest your time where do you need to embrace freedom from limiting beliefs fears perfectionism or other obstacles holding you back know you are not alone transformative growth takes time but the end result is worth it

make the right hires every time with an analytical approach to talent predicting success is a practical guide to finding the perfect member for your team by applying the principles and tools of human analytics to the workplace you ll avoid bad culture fits mismatched skillsets entitled workers and other hiring missteps that drain the team of productivity and morale this book provides guidance toward implementing tools like the predictive index behavior analytics hiring assessments and other practical resources to build your best team and achieve

the best outcomes written by a human analytics specialist who applies these principles daily this book is the manager s guide to aligning people with business strategy to find the exact person your team is missing an avalanche of research describes an evolving business landscape that will soon be populated by workers in jobs that don t fit this is bad news for both the workers and the companies as bad hires affect outcomes on the individual and organizational level and can potentially hinder progress long after the situation has been rectified predicting success is a guide to avoiding that by integrating analytical tools into the hiring process from the start hire without the worry of mismatched expectations apply practical analytics tools to the hiring process build the right team and avoid disconnected or dissatisfied workers stop seeing candidates as chances and start seeing them as opportunities analytics has proved to be integral in the finance tech marketing and banking industries but when applied to talent acquisition it can build the team that takes the company to the next level if the future will be full of unhappy workers in underperforming companies getting out from under that weight ahead of time would confer a major advantage predicting success provides evidence based strategies that help you find precisely the talent you need

one thing i have learned in my years of leading teams is that achieving a remarkable performance is no guarantee of repeating remarkable performance as a program director with ibm leadership development perry holley has traveled the globe to improve personal and team performance in his company he has seen first hand how ibm has managed to stay on top during good times and bad throughout its century long history it all comes down to leadership that never accepts average views challenges as opportunities and always strives to make a difference repeat the remarkable is holley s toolbox for organizational leadership that drives remarkable performance and keeps it running full throttle the ability to repeat top notch performance is precisely the difference between good companies and great companies in this groundbreaking book holley reveals the same method he teaches ibm s leaders he conveniently organizes his proven model for remarkable into three easy to understand sections foundation the two main

building blocks of remarkable performance clear definitions of goals and the purposes behind the goals framework the four critical elements for delivering remarkable performance exceptional behavior preparation discipline and persistence functionality the two components that ensure that remarkability is the defining trait of your company or department a mindset of excellence and high character the lessons in repeat the remarkable can be applied to any organization whether it s a large corporation a small business or simply your own family unit they are universal and they work in today s hypercompetitive business landscape where markets are completely unpredictable being good doesn t cut it neither does delivering occasional remarkable performance if you want to seize the competitive edge and hold it you have to deliver world class performance on a consistent basis with repeat the remarkable you have everything you need to infuse the right attitudes and behaviors in your people and make sure they stick praise for repeat the remarkable one of the demons that overcomes individuals and organizations is complacency this book contains the perfect antidote holley uses his ibm experience as a powerful metaphor for the value of discipline that ultimately inspires individuals and teams to soar to new heights jack zenger coauthor of the bestselling the extraordinary leader and the inspiring leader perry is a natural teacher you walk away from each chapter with renewed enthusiasm for personal improvement change jon prial ibm ww vice president sales enablement retired it is easy to fall into the trap of complacency after the big win perry lays out a plan to help you avoid that trap and become intentional about higher performance t falcon napier founder the institute for productive tension perry is remarkable thirty years of remarkable success is proof if you too want to be remarkable and lead a remarkable team producing remarkable results buy read and study this book it s all in there darren hardy publisher of success ceo mentor and new york times bestselling author of the compound effect repeat the remarkable is full of great ideas to help you lead yourself and lead your team to greater heights mike madsen vice president ibm software group mid atlantic eminently practical and full of real world advice this book will affirm and influence

those who are called to a leadership role it offers meaningful help for everyone at every rung of the leadership ladder anne bruce the authority on motivational leadership and author of discover true north and the manager s guide to motivating employees

the summary of necessary endings the employees businesses and relationships that all of us have to give up in order to move forward presented here include a short review of the book at the start followed by quick overview of main points and a list of important take aways at the end of the summary the summary of the topic of discussion in the 2010 film necessary endings is endings and the reasons why it s sometimes for the best that certain professional or personal relationships are severed endings are inevitable in both our professional and personal lives if we want to thrive and make our dreams come true we must accept this fact on the other hand conclusions are rarely if ever simple this book on ideas offers a lot of helpful advice on how to design them so that they work to your advantage necessary endings summary includes the key points and important takeaways from the book necessary endings by henry cloud disclaimer 1 this summary is meant to preview and not to substitute the original book 2 we recommend for in depth study purchase the excellent original book 3 in this summary key points are rewritten and recreated and no part text is directly taken or copied from original book 4 if original author publisher wants us to remove this summary please contact us at support mocktime com
