this book makes a significant contribution to interdisciplinary engagements between theatre studies and cultural geography in its analysis of how theatre articulates transnational geographies of asian culture and identity deploying a geographical approach to transnational culture rogers analyses the cross border relationships that exist within and between asian american british east asian and south east asian theatres investigating the effect of transnationalism on the construction of identity the development of creative praxis and the reception of works in different social fields this book therefore examines how practitioners engage with one another across borders and details the cross cultural performances creative opportunities and political alliances that result by viewing ethnic minority theatres as part of global rather than simply national cultural fields rogers argues that transnational relationships take multiple forms and have varying impetuses that cannot always be equated to diasporic longing for a homeland or as strategically motivated for economic gain this argument is developed through a series of chapters that examine how different transnational spatialities are produced and re worked through the practice of theatre making drawing upon an analysis of rehearsals performances festivals and semi structured interviews with practitioners the book extends existing discussions of performance and globalization particularly through its focus on the multiplicity of transnational spatiality and the networks between english language asian theatres its analysis of spatially extensive relations also contributes to an emerging body of research on creative geographies by situating theatrical praxis in relation to cross border flows

performing asian transnationalisms demonstrates how performances reflect and rework conventional transnational geographies in imaginative and innovative ways

a sweeping saga of a family and community fighting for survival against the ravages of history set between events depicted in fiddler on the roof and schindler s list lisa brahin s tears over russia brings to life a piece of jewish history that has never before been told between 1917 and 1921 twenty years before the holocaust began an estimated 100 000 to 250 000 jews were murdered in anti jewish pogroms across the ukraine lisa grew up transfixed by her grandmother channa s stories about her family being forced to flee their hometown of stavishche as armies and bandit groups raided village after village killing jewish residents channa described a perilous three year journey through russia and romania led at first by a gallant american who had snuck into the ukraine to save his immediate family and ended up leading an exodus of nearly eighty to safety with almost no published sources to validate her grandmother s tales lisa embarked on her incredible journey to tell channa s story forging connections with archivists around the world to find elusive documents to fill in the gaps of what happened in stavishche she also tapped into connections closer to home gathering testimonies from her grandmother s relatives childhood friends and neighbors the result is a moving historical family narrative that speaks to universal human themes the resilience and hope of ordinary people surviving the ravages of history and human cruelty with the growing passage of time it is unlikely that we will see another family saga emerge so richly detailing this forgotten time period tears over russia eloquently proves that true life is sometimes more compelling than fiction
