with this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions it better reflects a

more conceptual and decision making approach to the material the authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the accounting cycle the objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information this motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
