f f bruce s revised study on the book of acts is a contribution to the new international commentary on the new testament prepared by some of the world s leading scholars the series provides an exposition of the new testament books that is thorough and fully abreast of modern scholarship yet faithful to the scriptures as the infallible word of god

it is a special pleasure to introduce r t dick france s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume so says gordon fee in his preface to this work france s masterful commentary on matthew focuses on exegesis of matthew s text as it stands rather than on the prehistory of the material or details of synoptic comparison it is concerned throughout with what matthew himself meant to convey about jesus and how he set about doing so within the cultural and historical context of first century palestine amid the wide array of matthew commentaries available today france s world class stature his clear focus on matthew and jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come

prepared by some of the world s leading new testament scholars this series provides an exposition of the new testament books that is thorough and fully abreast of modern scholarship yet faithful to the scriptures as the infallible word of god

this premier commentary series enjoys a worldwide readership of scholars pastors priests rabbis and serious bible students they eagerly consult in high quality volumes to inform their preaching teaching and academic research and they warmly welcome each newly published volume as they would an encounter with a stimulating new friend through the rigorous yet reverent study contained in these commentary volumes readers hear afresh the voice of the living god speaking his powerful word

the eloquent and uncompromising calls for social righteousness by the minor prophets are familiar to

many yet the writings themselves are probably the least studied and least known texts of the old testament those who are familiar with these books are also aware of the historical and literary problems that plague their study drawing on theological historical and literary insights leslie allen s commentary on joel obadiah jonah and micah carefully and imaginatively reconstructs the context in which the original hebrew audience received the prophets messages in turn allen shows what relevance they hold for contemporary christians for each of the books allen includes a substantial introduction presenting and assessing a broad range of scholarship a select bibliography and an extensive commentary on the author s own translation of the text allen pays special attention to micah in which he treats at greater length many of the forms and motifs that also appear in joel obadiah and jonah the introductory material for joel includes discussions of canonicity and textual criticism that apply to the entire volume

undertaken to provide earnest students of the new testament with an exposition that is thorough and abreast of modern scholarship and at the same time loyal to the scriptures as the infallible word of god this statement reflects the underlying purpose of the new international commentary on the new testament begun in the late 1940s by an international team of new testament scholars the nicnt series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical protestant tradition while based on a thorough study of the greek text the commentary introductions and expositions contain a minimum of greek references the nicnt authors evaluate significant textual problems and take into account the most important exegetical literature more technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes under the general editorship of three outstanding new testament scholars first ned stonehouse westminster theological seminary philadelphia then f f bruce university of manchester england and now gordon d fee regent college vancouver british columbia the nicnt series has continued to develop over the years in order to keep the commentary new and conversant with contemporary scholarship the nicnt volumes have been and will be revised or replaced as necessary the newer nicnt volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text as the nicnt series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the new testament text

this statement reflects the underlying purpose of the new international commentary on the new testament begun in the late 1940s by an international team of new testament scholars the nicnt series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical protestant tradition while based on a thorough study of the greek text the commentary introductions and expositions contain a minimum of greek references the nicnt authors evaluate significant textual problems and take into account the most important exegetical literature more technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes under the general editorship of three outstanding new testament scholars first ned stonehouse westminster theological seminary philadelphia then f f bruce university of manchester england and now gordon d fee regent college vancouver british columbia the nicnt series has continued to develop over the years in order to keep the commentary new and conversant with contemporary scholarship the nicnt volumes have been and will be revised or replaced as necessary the newer nicnt volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text as the nicnt series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the new testament text

wenham s study on the book of leviticus is a contribution to the new international commentary on the old testament like its companion series on the new testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation

like its companion series on the new testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation the commentary proper based on the author s own translation of the hebrew text discusses the book section by section expository matters are the primary concern in these comments

biblical scholars discuss each book of the old and new testaments and general topics concerning the theology language and archaeological and historical background of the scriptures
