contending for the faith in the face of compromise it's amazing how even the slightest misunderstanding about God's grace can complicate the Christian life when we lack peace, joy, or victory in our walk with Christ. Oftentimes it's because we're not clear on how God's grace works in our lives. In some cases, the little misunderstandings can lead to more tragic results. It's safe to say that much incorrect Bible teaching and most cults get their start from the same place: an erroneous view of God's grace. Grace is a word we all hear frequently; we cannot help but sense there is something very special about God's grace, but do we really know what it is and how it changes our lives? That's what the book of Galatians is all about. The book of Jude goes a step further and tells the results of those who stray from the gospel of grace, and both are brought together in David Levy's book *Guarding the Gospel of Grace*. Contending for the faith in the face of compromise, don't miss out on the difference that God's grace can make in your life; it's nothing less than amazing.

Noted Bible scholar Merrill Unger traces the doctrine of the baptism of the Spirit through the New Testament. In the final two chapters, he puts the doctrine into its proper place with respect to spiritual gifts and the power for Christian living.
