the orthodox church presented here in a newly revised edition has become an indispensable classic on the history of the orthodox church and the unique position it holds in today's world. Fr. Meyendorff reviews the great events and the principal stages in a history of nearly two thousand years. Its diversity not only in eastern and far eastern countries but also in the west and in the whole world. He also presents the culture and spiritual tradition of orthodoxy, its connection to other Christian churches, its religious activities in various communities and its position and actions in former eastern communist countries. The postscript describes the new post-communist situation of orthodoxy. Book jacket title summary field provided by Blackwell North America Inc. All rights reserved.

Western European Christendom finds it difficult to comprehend the Eastern Orthodox Church because it knows little about the practice and doctrines of orthodoxy. Even what is known is overlaid by many strata of prejudices and misunderstandings, partly political in nature. One of the obstacles has been the natural tendency to confound the ideas and customs of the Orthodox Church with familiar parallels in Roman Catholicism. To escape this tradition pitfall, Ernst Benz focuses on icon painting as a logical place to begin his examination of the Orthodox Church, beginning with a brilliant discussion of the importance of icons in the Eastern Church and the far-reaching effects of icons on doctrine as well as art. Benz counteracts the confusion, explaining simply and clearly the liturgy and sacraments, dogma, constitution and law of Eastern Orthodoxy. In brief history, he describes the rise of Orthodox national churches, schismatic churches and churches in exile, the role of monasticism and its striking differences from Roman Catholic monasticism, the missionary work of the Orthodox Church and the influence of orthodoxy on politics and culture. The role of the church can be defined in terms of the image, Benz writes, that the church exists so that members may be incorporated into the image of Jesus Christ, in that individual believers are changed into his likeness as Paul writes in the second letter to the Corinthians. Thus Orthodox theology holds up the icon as the true key to the understanding of Orthodox dogma. The Eastern Orthodox Church will be valuable to anyone interested in learning more about the church, its thought, its life and its ideals.

Orthodox Christianity at the Crossroad: A Great Council of the Church. When and why the purpose of publishing the papers presented at the twentieth annual meeting of Orthodox Christian laity is to improve lay and clergy literacy on the conference topic of the need for

a great and holy council the papers are presented with the hope that the information will motivate the faithful to participate in the conciliar decision making process that moves the church forward on the issue of developing the council or another appropriate meeting the forces factors and history that inhibit calling a council are presented in these papers the hope of what can be accomplished when brothers work in synergy with each other and the holy spirit is also evident the renewal of orthodox christianity and the renewal of its witness in the contemporary world of global religious pluralism depend on such a meeting the calling of a council free of worldly political power turf ego and ethnic considerations will renew the living tradition of orthodoxy which is its apostolic calling the world is looking for this living tradition which cannot be well expressed by a fragmented orthodox church a council is a step toward renewing the church and making it whole in order to teach this living tradition it is interesting to note as this collection of papers points out that the children of orthodox christians living in america have come together as americans in order to remain orthodox through campus ministry programs that they are developing the young adults are leading the way to orthodox unity is it not time for the church elders the hierarchs the clergy and the faithful to look at the example of unity that the youth are providing and move ahead to do what is necessary to renew the church through this conciliar council about the editor george e matsoukas executive director of orthodox christian laity since 2000 recently published a church in captivity the greek orthodox church of america he co authored and edited project for orthodox renewal and continues to publish articles in various journals newspapers and local history publications he is an active member of his church and community mission of ocl orthodox christian laity ocl is a national voluntary movement dedicated to syndiaconia co ministry of clergy and laity who are concerned with the spiritual renewal accountability and transparency in church governance ocl encourages the laity to exercise its legitimate responsibilities as part of the conciliar governance process ocl advocates the establishment of an administratively and canonically unified self governing orthodox church in north america which is in keeping with the theology and tradition in fulfilling its apostolic mission
