scandinavian art songs are a unique expression of the cultures of sweden norway and denmark although these three countries are distinct from one another their languages and cultures share many similarities common themes found in art and literature include a love of nature especially of the sea feelings of longing and melancholy the contrast between light and dark the extremes of the northern climate

and lively folk traditions these shared sensibilities are reflected and expressed in a tangible way through music scandinavian art song has faced several challenges over the years in north america even in the american midwest where descendants of scandinavian immigrants are concentrated but matters have changed recently with the recent expansion of diction curricula to cover languages other than english french german and italian the primary obstacle remains practical resources for the study of art songs and lyric diction of sweden norway and denmark this guide remedies this problem scandinavian song is a practical guide to the art songs of sweden norway and denmark unlike other sources that give at best a cursory overview of lyric diction in the scandinavian languages this guide provides practical information enabling teachers and students to render transcriptions of swedish norwegian and danish texts into the international phonetic alphabet ipa an absolute necessity for any study of repertoire an extensive survey of available music sample ipa transcriptions and translations as well as a website link with native speakers reciting selected song texts make this book an invaluable resource for students and professors in north american college university and conservatory voice programs

hymns and the music the church sings are tangible means of expressing worship and while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship hymns and hymnody historical and theological introductions is an introductory textbook in three volumes describing the most influential hymnists liturgists and musical movements of the church this academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries volume 1 explores the early church and concludes with the renaissance era hymnists each chapter contains five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography the missions of hymns and hymnody are to provide biographical data on influential hymn writers for students and interested laypeople and to provide a theological analysis of what the cited composers have communicated in the theology of their hymns it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology this latter aspect is missing in accessible formats for the current literature

the turn of the 20th century was a time of great change in britain the empire saw its global influence waning and its traditional social structures challenged there was a growing weariness of industrialism and a desire to rediscover tradition and the roots of english heritage a new interest in english folk song and dance inspired art music which many believed was seeing a renaissance after a period of stagnation since the 18th century this book focuses on the lives of seven composers ralph vaughan

williams gustav holst ernest moeran george butterworth philip heseltine peter warlock gerald finzi and percy grainger whose work was influenced by folk songs and early music each chapter provides an historical background and tells the fascinating story of a musical life
