a timeless and comprehensive anthology of enduring english language poetry featuring entries from 150 british and american poets including alexander pope lord byron edna st vincent millay and emily dickinson the last six hundred years in british and american literature have given us some of the most moving and memorable poems in all literature now discover many of these same works in one gorgeously wrought collection featuring entries from poets as legendary and beloved as elizabeth barrett browning john keats rudyard kipling ralph waldo emerson d h lawrence and many more from lewis carroll s jabberwocky to robert frost s the road not taken and from shakespeare s sonnets to anonymous classics this is the ultimate gift for poetry lovers of all ages and backgrounds arranged chronologically the 150 poems featured in this stunning

collection reflect the immortality of the poetic soul

the work of wallace stevens has been read most widely as poetry concerned with poetry and not with the world in which it was created deemed utterly singular it seems to resist being read as the record of a life and times in this critical biography alan filreis presents a detailed challenge to this exceptionalist view as he traces two major periods of stevens s career from 1939 to 1955 the war years and the postwar years portraying stevens as someone whose alternation between cultural comprehension and ignorance was itself characteristically american filreis examines the poet s impulse to disguise and compress the very fact of his debt to the actual world by actual world stevens meant historical conditions often in order to impugn his own interest in such externalities as the last resort of a man whose famous interiority made him feel desperately irrelevant in light of events ranging from the u s entry into world war ii to the cold war filreis shows how stevens was driven to make a close approach to reality in an effort to reconcile his poetic language with a cultural language wallace stevens and the actual world is not only an impressive feat of historical recovery and analysis but also a pleasure to read it will be useful to anyone interested in the relationship between american politics and literature during world war ii and the cold war milton j bates marquette university originally published in 1991 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

based on extensive new archival and literary historical research editing modernity examines these canadian women writers and editors and their role in the production and dissemination of modernist and leftist little magazines

this book is one philosopher s response to the poetry of r s thomas it examines the poet s struggle with the possibilities of sense in religion r s thomas has described his poetry as an obsession with the possibility of having conversations or linguistic confrontations with ultimate reality some attempts at giving meaning to religious belief cannot withstand the assaults of criticism in r s thomas s verse however there emerges a hard won celebration of the worship of a hidden god a rare achievement in contemporary poetry in plotting the course of the development of the poetry the book brings out its many similarities with the thrusts and counter thrusts of argument in the philosophy of religion in the second half of the twentieth century the book should be of interest not only to admirers of r s thomas but to philosophers theologians students of literature and to anyone concerned with questions concerning the sense or senselessness of religious belief

his poems seem to appear in the world as naturally as wildflowers denise levertov

rolfe humphries 1894 1969 in addition to being an outstanding poet left a trail as a translator teacher critic and editor but as richard gillman maintains in his introduction poetry was the driving force behind these other special skills and interests

a record of literary properties sold at auction in the united states
