in this solid evangelical commentary on john s gospel a respected
scripture expositor makes clear the flow of the text engages a
small but representative part of the massive secondary literature

on John shows how the fourth gospel contributes to biblical and systematic theology and offers a consistent exposition of John as an evangelistic gospel. The comprehensive introduction treats such matters as the authenticity, authorship, purpose and structure of the gospel.

What is at stake is authenticity sooner or later Christians tire of public meetings that are profoundly inauthentic regardless of how well or poorly arranged, directed, performed we long to meet corporately with the living and majestic God and to offer him the praise that is his due. Carson's worship is a hot topic but the ways that Christians from different traditions view it vary greatly. What is worship more important what does it look like in action both in our corporate gatherings and in our daily lives? These concerns the blending of principle and practice are what worship by the book addresses cutting through cultural clichés. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore respectively worship under the word following in Cranmer's footsteps. Free church worship, the challenge of freedom, reformed worship in the global city. This is not a comprehensive theology of worship writes Carson, still less is it a sociological analysis of current trends or a minister's manual chockfull of how-to instructions. Rather this book offers pastors, other congregational leaders and seminary students a thought provoking biblical theology of worship followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship running the gamut from biblical theology to historical assessment all the way to sample service sheets. Worship by the book shows how local churches in diverse traditions can foster corporate worship that is God honoring, word revering, heartfelt and historically and culturally informed.
