reproduction of the original

the making of the american nation or the rise and decline of oligarchy in the west by james partridge arthur first published in 1866 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

are we now or have we ever been a nation as this century comes to a close debates over immigration policy racial preferences and multiculturalism challenge the consensus that

formerly grounded our national culture the question of our national identity is as urgent as it has ever been in our history is our society disintegrating into a collection of separate ethnic enclaves or is there a way that we can forge a coherent unified identity as we enter the 21st century in this marvelously written wide ranging and thought provoking book michael lind provides a comprehensive revisionist view of the american past and offers a concrete proposal for nation building reforms to strengthen the american future he shows that the forces of nationalism and the ideal of a trans racial melting pot need not be in conflict with each other and he provides a practical agenda for a liberal nationalist revolution that would combine a new color blind liberalism in civil rights with practical measures for reducing class based barriers to racial integration a stimulating critique of every kind of orthodox opinion as well as a vision of a new trans american majority the next american nation may forever change the way we think and talk about american identity new york newsday
