affinities that nagging sense of familiarity which we get at particular moments in works of art offer a key to the ways in which poets and artists work in nine chapters this book approaches important aspects of the topic and shows how affinity intentional or otherwise can be a signpost to an influence the artist wishes to hide a route into creativity a shared feature of a genre at a particular stage of development or a joyful sharing of a common heritage it can also be the first step in a lawsuit when it is confused with plagiarism the chapters range in topic from wagner and meyerbeer tchaikovsky to the hymnal thomas mann and colm tóibín and agatha christie and george eliot to american naïve painting

how is it possible to feel an affinity with a place what is happening when someone feels almost literally transported to another time by a smell or a texture or a song why do striking family resemblances sometimes feel uncanny in each of these cases a potent connection is being made involving forces flows energies and atmospherics that conventional sociological approaches can find hard to grasp but that are important nonetheless in this innovative book jennifer mason argues that these are affinities potent charges and charismatically lively connections in personal life that rise up and matter in some way and that enchant or toxify the everyday she suggests that exploring affinities opens up new possibilities for conceptualizing the experience of living in the world through what she calls the socio atmospherics of everyday life this book invites the reader to embrace possibilities and themes that may seem outside the usual range and to engage in a more open attentive inventive and poetic sociological sensibility
