includes pictures includes contemporary accounts written about the raj by british and indians includes online resources and a bibliography for further reading a significant fact which stands out is that those parts of india which have been longest under british rule are the poorest today indeed some kind of chart might be drawn up to indicate the close connection between length of british rule and progressive growth of poverty jawaharlal nehru the discovery of india the british east india company served as one of the key players in the formation of the british empire from its origins as a trading company struggling to keep up with its superior dutch portuguese and spanish competitors to its tenure as the ruling authority of the indian subcontinent to its eventual hubristic downfall the east india company serves as a lens through which to explore the much larger economic and social forces that shaped the formation of a global british empire as a private company that became a non state global power in its own right the east india company also serves as a cautionary tale all too relevant to the modern world s current political and economic situation on its most basic level the east india company played an essential part in the development of long distance trade between britain and asia the trade in

textiles ceramics tea and other goods brought a huge influx of capital into the british economy this not only fueled the industrial revolution but also created a demand for luxury items amongst the middle classes the economic growth provided by the east india company was one factor in britain s ascendancy from a middling regional power to the most powerful nation on the planet the profits generated by the east india company also created incentive for other european powers to follow its lead which led to three centuries of competition for colonies around the world this process went well beyond asia to affect most of the planet including africa and the middle east beyond its obvious influence in areas like trade and commerce the east india company also served as a point of cultural contact between western europeans south asians and east asians quintessentially british practices such as tea drinking were made possible by east india company trade the products and cultural practices traveling back and forth on east india company ships from one continent to another also reconfigured the way societies around the globe viewed sexuality gender class and labor on a much darker level the east india company fueled white supremacy and european concepts of orientalism ultimately the company s activity across the indian subcontinent led to further british involvement there and the british raj a period of british dominance and rule over india that formally began in 1857 and lasted until 1947 remains a highly debated topic amongst historians political scientists the british people and the people of modern india it s necessary to seek an understanding of the people forces and events shaping the history of british india to arrive at valid conclusions about the british indian experience and to understand the continued divide over its legacy perhaps then it s possible to answer lewis s question is it possible that british rule was both destructive and creative at the same time the british raj the history and legacy of great britain s imperialism in india and the indian subcontinent looks at the importance of british colonialism in the region and how it has

affected the course of history to this day along with pictures and a bibliography you will learn about the british raj like never before

india under british rule by james talboys wheeler

in india under british rule from the foundation of the east india company james talboys wheeler presents a comprehensive exploration of the complex history and socio political dynamics of india during british colonial rule employing a meticulous narrative style wheeler emphasizes critical events and policies that shaped the subcontinent from the inception of the east india company in the early 17th century to the establishment of direct british government the book situates itself within the paradigm of colonial historiography shedding light on economic exploitation cultural conflicts and the profound impacts on indigenous populations while also engaging with contemporary debates surrounding imperialism and its legacies james talboys wheeler a distinguished historian with a deep interest in british imperial history draws on extensive research and primary sources to craft his account his background in both history and literature influences his narrative approach allowing him to present a rich nuanced depiction of events that intertwines personal anecdotes with broader historical developments his commitment to presenting a balanced view fosters an understanding of the complexities involved in this significant period helping to interrogate the narratives surrounding empire this seminal work is highly recommended for scholars students and general readers interested in colonial studies indian history and the intricacies of british imperialism wheeler s insightful analysis not only informs about a crucial era in history but also invites readers to reflect on the repercussions of colonial rule that resonate to this day in this enriched edition we have carefully created added value for your reading experience hand picked memorable quotes shine a spotlight on moments

of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

reproduction of the original india under british rule by j talboys wheeler

first published in 1901 this book provides a historical overview of the british colonization of burma including its political social and economic implications nisbet s work offers a critical perspective on british imperialism and its impact on the people and culture of burma this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either

part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

first published in 1965 this book recounts nigeria under british rule and is dedicated by the author to mr joseph chamberlain who was secretary of state for the colonies from 1895 to 1903 it includes the areas of lagos and the niger coast as revenue generators the niger delta protectorate the royal niger company and amalgamated nigeria from 1914

rewriting hong kong s history from the bottom up the chapters investigate vital but hitherto obscured aspects of the colony s rise they cover the chinese collaboration with the colonial regime legal discrimination and intimidation rural politics social movements government business relations industrial policy flexible manufacturing and colonial historiography drawing together contributions from historians sociologists and political scientists the book highlights the role played by a variety of social actors in hong kong s history and differs both from recent celebrations of british colonialism and anti colonial chinese nationalism

robinson wrote this book to introduce american students to an important part of history that wasn t taught extensively at schools and colleges in the united states the author discusses the growth of great britain with particular emphasis on recent years as progress had been quite rapid in the 100 years prior to his book s publication newfoundland appears as a topic in both chapters four and twenty three as both a british colony and neighbor to the dominion of canada in chapter four robinson explains how the importance of the fishery to britain lead to the

colonization of the island and the resulting problems with the french chapter twenty three includes a further description of newfoundland s fishery her government and the possibility of joining confederation

cyprus under british rule is a thorough overview of the colonial situation on cyprus up until world war i
