throughout your life you ve always recognized it when you saw it that indescribable appealing quality that tells you loud and clear this person is a leader someone you should trust follow and learn from and you ve always told yourself if only you had that it factor inside you that could inspire motivate and lead others in the same way well you do and you can nobody not even the greatest you have ever seen comes into the world a natural leader but somewhere along the way these people who entered the world in the same you did transformed into the kind of magnetic individuals who inspire others to follow their lead success expert brian tracy has spent years studying the world s greatest leaders and believes that everyone has it inside them to inspire trust confidence and loyalty instill a sense of meaning and purpose in your organization tap into the motivation and enthusiasm that compels others to commit to your vision clearly communicate goals and strategies and gain buy in build winning teams elicit extraordinary performance from ordinary people become the person seen as most likely to lead the organization to victory and more don t fall for the lie that says some are born leaders and the rest of us are simply their followers you are just as capable as anyone packed with practical proven methods leadership a indispensable little guide will help you unlock your leadership potential

most people think success comes from good luck or enormous talent but many successful people achieve their accomplishments in a simpler way through self discipline no excuses shows you how you can achieve success in all three major areas of your life including your personal goals business and money goals and overall happiness each of the 21 chapters in this book shows you how to be more disciplined in one aspect of your life with end of chapter exercises to help you apply the no excuses approach to your own life with these guidelines you can learn how to be more successful in everything you do instead of wistfully envying others you think are just luckier than you a little self discipline goes a long way so stop making excuses and read this book

mentors are over utilized under trained and as studies show under deliver from an employer s perspective assigning a mentor is often a band aid to a larger problem from an employee s perspective a lack of formal mentorship is seen as a serious career inhibiting problem the equivalent of sailing a boat without a rudder in the mentor myth debby carreau represents this dichotomy explaining that while a mentor s counsel can be invaluable it is not the silver bullet human resources professionals often purport it to be the opinions of a mentor are one data point one piece in the much more complex game of navigating a career in fact the increasing overreliance on mentorship can actually be a hindrance to a successful career instead of continually looking outward for career guidance aspiring professionals must realize that they possess all the tools necessary to take control of their own careers by using their own strengths capabilities and visions of success through her years of experience consulting speaking and writing about career development debby has created a comprehensive easy to implement guide for taking ownership of your professional success debby begins by helping the reader create a professional roadmap including how to build a personal brand project the right amount of confidence and manage time she addresses mentors in the context of networks and sponsors advising the reader how to incorporate outward influences rather than be defined by them

discover 10 essential ways to make the most of your time time is money as the saying goes but most of us never feel we have enough of either in master your time master your life internationally acclaimed productivity expert and bestselling author brian tracy presents a brilliant new approach to time management that will help you gain control of your time and accomplish far more faster and more easily than you ever thought possible drawing on the latest research in productivity science and tracy s decades of expertise this breakthrough program allocates time into ten categories of priority including strategic planning goal setting people and family income improvement rest relaxation and even creative time and reveals the best techniques for focusing on each effectively by thoughtfully applying the principles in master your time master your life you ll not only achieve greater results and reach your goals more quickly and successfully you ll also have more time to devote to what you truly love

why we do the things we do in his characteristic no nonsense style international bestselling author brian tracy explains that there is an epidemic sweeping the world today that of the something for nothing mentality this epidemic is rooted in the out of control and insatiable demands of thousands and millions of people today the world s greatness is being undermined by people using various means to steal other people s dreams and money rather than participate and innovate in the marketplace generating goods and services that benefit society people are increasingly vying for political advantage to live at the expense of others in this influential book tracy reminds us that our greatness is based on honesty integrity and fair dealing tracy proves that this something for nothing attitude has never been the way of the world and helps readers set a personal and culture wide

agenda for change

legendary college football coach lou holtz once said when all is said and done more is said than done these few yet profound words explain one of the biggest predicaments that individuals face today we want to be successful happy and influential yet very few of us follow up what we say with specific actions that move us directly toward those goals the idea of being successful is an attractive dream that fills us with positive emotions whereas the actions required to be successful are often difficult the desire to be genuinely happy is a goal toward which nearly every individual aspires but the actions required to achieve deep and sustained happiness require us to often delay temporary gratification and quick fixes to problems saying that we want to achieve influence either as a leader of others in the workplace an influential member of the community or as an admired parent and spouse is far easier than the gut wrenching decisions enormous amounts of personal time and direct truth telling that are required in this cutting edge program from personal development expert and motivation master brian tracy you ll learn that there truly is a science of motivation if you apply brian s teachings and implement them in your life your dreams will become your destiny as you produce the outcomes that you desire

every myth that prevents dieters from weight loss success is dispelled readers learn the psychology nutrition and exercises necessary for losing weight and keeping it off the book is complete with motivational tips action steps nutrition charts meal schedules and three fully illustrated workout plans
