what makes some people successful in life in just shut up and do it bestselling author and success expert brian tracy shares a simple practical proven seven part method that will help you accomplish more in the next few months and years than most people accomplish in a lifetime in its simplest terms your ability to get started and to keep going until you complete those things that are most important to you and to your company is the key to winning to happiness to a great reputation and to success in life there are no limits to what you can achieve

legendary college football coach lou holtz once said when all is said and done more is said than done these few yet profound words explain one of the biggest predicaments that individuals face today we want to be successful happy and influential yet very few of us follow up what we say with specific actions that move us directly toward those goals the idea of being successful is an attractive dream that fills us with positive emotions whereas the actions required to be successful are often difficult the desire to be genuinely happy is a goal toward which nearly every individual aspires but the actions required to achieve deep and sustained happiness require us to often delay temporary gratification and quick fixes to problems saying that we want to achieve influence either as a leader of others in the workplace an influential member of the community or as an admired parent and spouse is far easier than the gut wrenching decisions enormous amounts of personal time and direct truth telling that are required in this cutting edge program from personal development expert and motivation master brian tracy you ll learn that there truly is a science of motivation if you apply brian s teachings and implement them in your life your dreams will become your destiny as you produce the outcomes that you desire

your aim in life should be to achieve all of the wonderful things that are possible for you there is no reason for you not to be earning twice as much as you are today or even five or ten times as much your potential is practically limitless if you could just learn how to utilize it clarity focus and concentration three strong simple attributes needed to hone in your potential and hit the bull s eye and just as you can develop your physical muscles through hard work and concentration you can develop your mental muscles through continuous repetition you have the ability right now to achieve more than you ever have before bull s eye will teach you how to unleash your powers for success and accomplish more in the next few months than many people do in a lifetime

mentors are over utilized under trained and as studies show under deliver from an employer s perspective assigning a mentor is often a band aid to a larger problem from an employee s perspective a lack of formal mentorship is seen as a serious career inhibiting problem the equivalent of sailing a boat without a rudder in the mentor myth debby carreau represents this dichotomy explaining that while a mentor s counsel can be invaluable it is not the silver bullet human resources professionals often purport it to be the opinions of a mentor are one data point one piece in the much more complex game of navigating a career in fact the increasing overreliance on mentorship can actually be a hindrance to a successful career instead of continually looking outward for career guidance aspiring professionals must realize that they possess all the tools necessary to take control of their own careers by using their own strengths capabilities and visions of success through her years of experience consulting speaking and writing about career development debby has created a comprehensive easy to implement guide for taking ownership of your professional success debby begins by helping the reader create a professional roadmap including how to build a personal brand project the right amount of confidence and manage time she addresses mentors in the context of networks and sponsors advising the reader how to incorporate outward influences rather than be defined by them

discover 10 essential ways to make the most of your time time is money as the saying goes but most of us never feel we have enough of either in master your time master your life internationally acclaimed productivity expert and bestselling author brian tracy presents a brilliant new approach to time management that will help you gain control of your time and accomplish far more faster and more easily than you ever thought possible drawing on the latest research in productivity science and tracy s decades of expertise this breakthrough program allocates time into ten categories of priority including strategic planning goal setting people and family income improvement rest relaxation and even creative time and reveals the best techniques for focusing on each effectively by thoughtfully applying the principles in master your time master your life you ll not only achieve greater results and reach your goals more quickly and successfully you ll also have more time to devote to what you truly love
